*"The Black Cat" is a short story by Edgar Allan Poe. It was first published in the August 19, 1843, edition of The Saturday Evening Post. It is a study of the psychology of guilt, often paired in analysis with Poe's "The Tell-Tale Heart". In both, a murderer carefully conceals his crime and believes himself unassailable, but eventually breaks down and reveals himself, impelled by a nagging reminder of his guilt.*

*Humbert Humbert - scholar, aesthete and romantic - has fallen completely and utterly in love with Lolita Haze, his landlady's gum-snapping, silky skinned twelve-year-old daughter. Reluctantly agreeing to marry Mrs Haze just to be close to Lolita, Humbert suffers greatly in the pursuit of romance; but when Lo herself starts looking for attention elsewhere, he will carry her off on a desperate cross-country misadventure, all in the name of Love. Hilarious, flamboyant, heart-breaking and full of ingenious word play, Lolita is an immaculate, unforgettable masterpiece of obsession, delusion and lust.*

*ULYSSES* James Joyce's novel *Ulysses* is said to be one of the most important works in Modernist literature. It details Leopold Bloom's passage through Dublin on an ordinary day, June 16, 1904. Causing controversy, obscenity trials and heated debates, *Ulysses* is a pioneering work that brims with puns, parodies, allusions, stream-of-consciousness writing and clever structuring. Modern Library ranked it as number one on its list of the twentieth century's 100 greatest English-language novels and Martin Amis called it one of the greatest novels ever written. ULYSSES *Ulysses* is a modernist novel by Irish writer James Joyce. It is considered to be one of the most important works of modernist literature, and has been called "a demonstration and summation of the entire movement". *Ulysses* chronicles the peripatetic appointments and encounters of Leopold Bloom in Dublin in the course of an ordinary day, 16 June 1904. *Ulysses* is the Latinised name of Odysseus, the hero of Homer's epic poem *Odyssey*, and the novel establishes a series of parallels between its characters and events and those of the poem (the correspondence of Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). Joyce divided *Ulysses* into 18 chapters or "episodes". At first glance much of the book may appear unstructured and chaotic; Joyce once said that he had "put in so many enigmas and puzzles that it will keep the professors busy for centuries arguing over what I meant", which would earn the novel "immortality". James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for *Ulysses*, the short-story collection *Dubliners*, and the novels *A Portrait of the Artist as a Young Man* and *Finnegans Wake*. ULYSSES As the day begins, Stephen Dedalus is displeased with his friend and remains aloof. A little later, he teaches history at Garrett Deasy's boys' school. ULYSSES Leopold Bloom begins his day by preparing breakfast for his wife, Molly Bloom. He serves it to her in bed along with the mail. ULYSSES As their day unfolds, Joyce paints for us a picture of not only what's happening outside but also what's happening inside their minds. ULYSSES Drawing on the characters, motifs and symbols of Homer's *Odyssey*, James Joyce's *Ulysses* is a remarkable modernist novel. It has lived through various criticisms and controversies and has undergone several theatre, film and television adaptations. It continues to remain a literary masterpiece. ULYSSES

*First published in 1897, The Invisible Man is one of the first science fiction stories. The disturbing tale centers on Griffin, a scientist who has discovered the means to make himself invisible. His initial, almost comedic, adventures are soon overshadowed by the bizarre streak of terror he unleashes upon the inhabitants of a small village. Notable for its sheer invention, suspense, and psychological nuance, The Invisible Man had been filmed many times and continues to enthrall science-fiction fans today as it did the reading public nearly 100 years ago.*

Retrato del artista decadente es un compendio de ciertas obsesiones: la fama, la fortuna, lo efímero, la precocidad, el fracaso, la decadencia, todas encarnadas en Lorenzo Valle, involuntario niño prodigio de la actuación, fallido artista adolescente y condenado a una adultez sin gloria. Esta apócrifa biografía no autorizada cuenta a detalle su vida –pública y privada– y revela todas las circunstancias que rodearon al misterioso incidente que lo apartó de la farándula durante más de tres décadas. La obra también hace un homenaje con humor –y con amor– a la televisión: niñera, amiga, compañera y testigo de los momentos más cotidianos de nuestras vidas (a veces, incluso, de los más extraordinarios). Pero, sobre todo, busca reivindicar el papel de las telenovelas en la educación sentimental de generaciones enteras de mexicanos y mexicanas.

The aging Nakata, tracker of lost cats, who never recovered from a bizarre childhood affliction, finds his pleasantly simplified life suddenly turned upside down. As their parallel odysseys unravel, cats converse with people; fish tumble from the sky; a ghost-like pimp deploys a Hegel-spouting girl of the night; a forest harbours soldiers apparently un-aged since World War II. There is a savage killing, but the identity of both victim and killer is a riddle – one of many which combine to create an elegant and dreamlike masterpiece. 'Wonderful... Do you constantly believe in Mr Right, and that being with him would guarantee you would no longer feel depressed or lonely? Are you bored with 'nice guys' who are open, honest and dependable? If being in love means being in pain, this book was written for you. Leading relationship and marriage therapist Robin Norwood describes loving too much as a pattern of thoughts and behaviour, which certain women develop as a response to problems from childhood. Many women find themselves repeatedly drawn into unhappy and destructive relationships with men. They then struggle to make these doomed relationships work. This bestselling relationship self-help book investigates and reveals how powerfully addictive these unhealthy relationships are – but also gives a very specific programme for recovery from the disease of loving too much, a problem that plagues women everywhere.

*Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.*

*An acclaimed bestseller and international sensation, Patrick Suskind's classic novel provokes a terrifying examination of what happens when one man's indulgence in his greatest passion—his sense of smell—leads to murder. In the slums of eighteenth-century France, the infant Jean-Baptiste Grenouille is born with one sublime gift—an absolute sense of smell. As a boy, he lives to decipher the odors of Paris, and apprentices himself to a prominent perfumer who teaches him the ancient art of mixing precious oils and herbs. But Grenouille's genius is such that he is not satisfied to stop there, and he becomes obsessed with capturing the smells of objects such as brass door knobs and fresh-cut wood. Then one day he catches a hint of a scent that will drive him on an ever-more-terrifying quest to create the “ultimate perfume”—the scent of a beautiful young virgin. Told with dazzling narrative brilliance, Perfume is a hauntingly powerful tale of murder and sensual depravity. Translated from the German by John E. Woods.*

pubOne.info present you this new edition. It was with considerable reluctance that i abandoned in favour of the present undertaking what had long been a favourite project: that of a new edition of Shelton's "Don Quixote, " which has now become a somewhat scarce book. There are some- and I confess myself to be one- for whom Shelton's racy old version, with all its defects, has a charm that no modern translation, however skilful or correct, could possess. Shelton had the inestimable advantage of belonging to the same generation as Cervantes; "Don Quixote" had to him a vitality that only a contemporary could feel; it cost him no dramatic effort to see things as Cervantes saw them; there is no anachronism in his language; he put the Spanish of Cervantes into the English of Shakespeare. Shakespeare himself most likely knew the book; he may have carried it home with him in his saddle-bags to Stratford on one of his last journeys, and under the mulberry tree at New Place joined hands with a kindred genius in its pages.

Loosely based on the Odyssey, this landmark of modern literature follows ordinary Dubliners through an entire day in 1904. Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor.

In this timely tale of immigration, two cousins learn the importance of family and friendship. A year of discoveries culminates in a performance full of surprises, as two girls find their own way to belong. Mexico may be her parents' home, but it's certainly not Margie's. She has finally convinced the other kids at school she is one-hundred percent American—just like them. But when her Mexican cousin Lupe visits, the image she's created for herself crumbles. Things aren't easy for Lupe, either. Mexico hadn't felt like home since her father went North to find work. Lupe's hope of seeing him in the United States comforts her some, but learning a new language in a new school is tough. Lupe, as much as Margie, is in need of a friend. Little by little, the girls' individual steps find the rhythm of one shared dance, and they learn what "home" really means. In the tradition of My Name is Maria Isabel—and simultaneously published in English and in Spanish—Alma Flor Ada and her son Gabriel M. Zubizarreta offer an honest story of family, friendship, and the classic immigrant experience: becoming part of something new, while straying true to who you are.

Renée is the concierge of a grand Parisian apartment building, home to members of the great and the good. Over the years she has maintained her carefully constructed persona as someone reliable but totally uncultivated, in keeping, she feels, with society's expectations of what a concierge should be. But beneath this façade lies the real Renée: passionate about culture and the arts, and more knowledgeable in many ways than her employers with their outwardly successful but emotionally void lives. Down in her lodge, apart from weekly visits by her one friend Manuela, Renée lives resigned to her lonely lot with only her cat for company. Meanwhile, several floors up, twelve-year-old Paloma Josse is determined to avoid the pampered and vacuous future laid out for her, and decides to end her life on her thirteenth birthday. But unknown to them both, the sudden death of one of their privileged neighbours will dramatically alter their lives forever.
