

La Victoria Del Discipulo Vida Discipular Masterlife

Es como un ¡extraterrestre! Mucho se habla de él, pero pocos lo han visto. ¿Cuáles son las características de un discípulo de Cristo? ¿Cómo luce un discípulo? ¿Estoy viviendo como un verdadero discípulo de Cristo? ¿Por qué a la iglesia cristiana de nuestros tiempos le cuesta tanto trabajo hacer discípulos? En algunas de nuestras iglesias, Un discípulo Es casi como un extraterrestre, muy pocos lo han visto. "El Discipulado, el proceso de la Iglesia", responde claramente estas preguntas. Al leer el libro usted vera de forma clara, y precisa como luce un discípulo, como se puede medir si la iglesia está cumpliendo con la Gran Comisión o no. Vamos detrás de programas y eventos; nos llenamos de feligreses pero no formamos discípulos. Discípulos forman discípulos. Uno no puede dar lo que no es. No podemos pensar en hacer discípulos, sin antes serlo. El ser viene antes que el hacer. Entonces, sin espíritu de juicio, le ayudaremos a crear una estrategia simple pero efectiva que responda a las siguientes preguntas: 1. ¿Dónde estoy? 2. ¿Adónde debo llegar? ¿Cuál es mi meta como cristiano? 3. ¿Cómo voy a llegar a ser como Cristo?

"Quiero presentar esta serie de manuales a todos los Agentes de Pastoral, al tiempo que los exhorto a que los aprovechen en su crecimiento personal y , sobre todo, los promuevan en sus comunidades, para que cada vez haya más Agentes de pastoral que tengan bien cimentada su formación espiritual, humana-comunitaria, doctrinal y pastoral-misionera, según la inspiración del Documento de Aparecida" - Norberto Cardenal Rivera Carrera Arzobispo Primado de México

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Una comunidad lee el Evangelio de Lucas Fausti, Silvano. 1a. ed.

The fifth book of the New Testament has been known from ancient times as The Acts of the Apostles; but this title cannot be found in the book itself. One of the earliest manuscripts, the Codex Sinaiticus, gives as the title the simple word Acts, with no mention of the apostles. There is a reason for this. Acts was intended to be more a brief history of the service rendered by the twelve disciples, much more than the events in the lifework of its four leading characters, Peter, James, John, and Paul. Acts of the Apostles was one of the last books written by Ellen G. White. It was written a few years before her death. It is one of the most illuminating volumes that came from her prolific pen. The average reader will find in it light for Christian witnessing. The message of the book is up to date, and its relevancy is reflected in the effort of our generation to show that the twentieth century will witness a bestowal of spiritual power equal to that of Pentecost. The work of the gospel is not to close with a lesser display of the Spirit's power than marked its beginning.

John 1-10: I Am the Bread of Life is an excellent way to introduce young adults book of John and the life-changing message of Jesus in this Gospel. Designed as discovery, Six Weeks with the Bible for Catholic Teens introduces high school students books of the Bible by integrating the biblical text with insightful questions to help discern what Scripture means for their lives today. The series provides students clear explanation of Biblical text, opportunities for prayer, and a means to enter conversation with God.

MasterLife 2 in the series of four helps Christians experience life in the spirit and victory in their personal lives. In this six-week study disciples will learn how to share their personal testimonies. Topics include: doing God's will, renewing the mind, mastering the emotions, presenting the body, and being filled with the spirit. Additional available resources include leader helps and video.

Realize the Power of Your Identity in Christ

Before the entrance of sin, Adam enjoyed open communion with his Maker; but since man separated himself from God by transgression, the human race has been cut off from this high privilege. By the plan of redemption, however, a way has been opened whereby the inhabitants of the earth may still have connection with heaven. God has communicated with men by His Spirit, and divine light has been imparted to the world by revelations to His chosen servants. "Holy men of God spake as they were moved by the Holy Ghost." 2 Peter 1:21. During the first twenty-five hundred years of human history, there was no written revelation. Those who had been taught of God, communicated their knowledge to others, and it was handed down from father to son, through successive generations. The preparation of the written word began in the time of Moses. Inspired revelations were then embodied in an inspired book. This work continued during the long period of sixteen hundred years,—from Moses, the historian of creation and the law, to John, the recorder of the most sublime truths of the gospel. The Bible points to God as its author; yet it was written by human hands; and in the varied style of its different books it presents the characteristics of the several writers. The truths revealed are all "given by inspiration of God" (2 Tim. 3:16); yet they are expressed in the words of men. The Infinite One by His Holy Spirit has shed light into the minds and hearts of His servants. He has given dreams and visions, symbols and figures; and those to whom the truth was thus revealed, have themselves embodied the thought in human language. The ten commandments were spoken by God Himself, and were written by His own hand. They are of divine, and not of human composition. But the Bible, with its God-given truths expressed in the language of men, presents a union of the divine and the human. Such a union existed in the nature of Christ, who was the Son of God and the Son of man. Thus

it is true of the Bible, as it was of Christ, that "the Word was made flesh, and dwelt among us." John 1:14. Written in different ages, by men who differed widely in rank and occupation, and in mental and spiritual endowments, the books of the Bible present a wide contrast in style, as well as a diversity in the nature of the subjects unfolded. Different forms of expression are employed by different writers; often the same truth is more strikingly presented by one than by another. And as several writers present a subject under varied aspects and relations, there may appear, to the superficial, careless, or prejudiced reader, to be discrepancy or contradiction, where the thoughtful, reverent student, with clearer insight, discerns the underlying harmony. As presented through different individuals, the truth is brought out in its varied aspects. One writer is more strongly impressed with one phase of the subject; he grasps those points that harmonize with his experience or with his power of perception and appreciation; another seizes upon a different phase; and each, under the guidance of the Holy Spirit, presents what is most forcibly impressed upon his own mind—a different aspect of the truth in each, but a perfect harmony through all. And the truths thus revealed unite to form a perfect whole, adapted to meet the wants of men in all the circumstances and experiences of life. God has been pleased to communicate His truth to the world by human agencies, and He Himself, by His Holy Spirit, qualified men and enabled them to do this work. He guided the mind in the selection of what to speak and what to write. The treasure was intrusted to earthen vessels, yet it is, none the less, from Heaven. The testimony is conveyed through the imperfect expression of human language, yet it is the testimony of God; and the obedient, believing child of God beholds in it the glory of a divine power, full of grace and truth.

El libro 3 ayuda a los discipulos a ganar la victoria sobre el mundo, la naturaleza pecaminosa y Satanás. Estas metas se lograrán a medida que desarrollen su vida de oración y se capaciten en el uso de la Palabra de Dios. Un retiro de oración ayuda a los discípulos a buscar la dirección de Dios para su futuro. English Description: Book 3 helps Christians gain victory over the world, the flesh, and the devil. They accomplish these goals as they develop their prayer lives and gain skills in using God's Word. A prayer retreat guides disciples to experience God directing their future.

Jesus vivi con sus disc pulos por tres a os ense ndoles lecciones de vida en grupo. Luego de tres a os les mand que "fueran e hicieran lo mismo" (Mateo 28:18-20). Jes?'s discipul a sus seguidores por medio de relaciones interpersonales—y espera que nosotros hagamos lo mismo. A lo largo de las Escrituras encontramos abundantes exhortaciones a servirnos unos a otros. Este libro le mostrar c mo hacerlo. La vida de aislamiento de la cultura occidental de hoy crea un deseo por vivir en comunidad y el mundo entero anhela ver disc pulos relacionales en acci n. Este libro alentar a los seguidores de Cristo a permitir que Dios use las relaciones naturales de la vida: familia, amigos, compa eros de trabajo, c lulas, iglesia y misiones para moldearlos como disc pulos relaciones.

MasterLife 3 in the series of four helps Christians gain victory over the world, the flesh, and the devil. This six-week study helps believers develop their prayer lives and gain skills in using God's Word. A prayer retreat follows this study in which disciples experience God directing their future. Additional available resources include leader helps and videos.

Just as Christ took John on a lifelong journey into the depths of His love, He will do the same for you. Tal como Cristo llevó a Juan en un viaje de toda la vida a la profundidad de su amor, Jesús hará lo mismo para usted.

"You will know the truth, and the truth will set you free" (John 8:32 niv). It's Jesus's promise to you--the promise that you will live triumphantly. But what keeps you from really walking in the joy of the Lord? The powers of darkness attack us daily. But, as Dr. Neil Anderson shows in Victory Over the Darkness, you can have the power to conquer them by knowing who you are in Christ. In this book, you will learn how to · realize the power of your identity in Christ · find freedom from the burdens of your past · stand against the spiritual forces of this world · win the battle for your mind · become the victorious person you want to be · discover the truth about God's view of you Victory Over the Darkness spells out practical ways to experience Christian growth based on Christ's promise. Learn to apply the truths of Scripture as a base from which to renew your mind and become the person Christ empowers you to be. Study guide and DVD also available.

En Discípulos del Reino, Tony Evans describe una definición simple y práctica de discipulado para ayudar a la iglesia a cumplir su llamado. El autor exhorta a los creyentes e iglesias a regresar a la principal responsabilidad ordenada divinamente de ser discípulos y hacer discípulos. In Kingdom Disciples, Tony Evans outlines a simple, actionable definition of discipleship to help the church fulfill its calling. The author calls believers and churches back to its primary, divinely ordained responsibility to be disciples and make disciples.

Times of Victory by Pedro Luis Adames Valdez A Place Under God's Wing The Meditations of Pedro Luis Adames Valdez The topic of religion is one that's becoming increasingly contested with the advent of globalization as it became increasingly apparent that there are more many more faiths out there than meet the eye. Each and every one has its own belief system and designations, with a few being much more heavily-proliferated and discussed than others, namely Christianity, Judaism and Islam. Simultaneously, the sceptics are more numerous than ever before, with atheism and agnosticism gaining popularity, especially amongst the intelligent elite. Whether or not you're a religious person though, I believe that there is much for us to learn from the teachings passed down through holy scriptures for they often connect with our lives in surprisingly non-religious ways. I myself am not a religious person, and thus it is precisely the approach I took to Times of Victory by Pedro Luis Adames Valdez. For those who aren't familiar with the man, Valdez came from the small town of Altagracia (High Grace) in the Dominican Republic, and to keep things short, his life definitely hasn't been on the easy side. Squalor and a fractured family set the stage for his road towards God, and since then he has grown into an international sensation, his preaching having been heard in a couple dozen countries around the world. In this book of his, Valdez expresses the culmination of his life's work and experience following God, serving him and his fellow man as best he can. It's divided into twenty-three chapters, each one tackling a specific topic always in relation to religion, such as the importance of obeying God, of learning to recognize his miracles and how to reach out and bask in his light, just to name a few. However, in addition to that Valdez also takes the time to create connections between those religious teachings and our daily lives, looking at ways in which we can apply them to our mundane trials and tribulations. Ultimately, he seeks to impart a mindset which he believes can help one to attain happiness while improving the world around them. He complements his meditations

with various passages from the bible which hold special significance for him, as well as personal stories and anecdotes that help cement his ideas. A Matter of Approach To start things off, let us examine this book as viewed from the perspective of a devout Christian. Though I myself cannot be classified in that group, I can still provide my objective opinion, which is that Times of Victory is a thinking person's book that could serve people of any religion quite well. The interpretations and arguments are as far from baseless as you can imagine, with there always being a firm logical structure based on concrete experiences to back everything up. Valdez has this gift of being able to interpret biblical texts in a sort of practical, rational and modern way to help them gain a meaning that is concurrent with contemporary times. His approach to understanding his religion is one many of us would do well to model after. In other words, I believe if you're a religious person, at best you'll gain plenty of new and interesting insights to mull over, and at worst you'll come to learn about Valdez's unusual perspective on things. On the other hand, if like myself you are not a religious person, then you're likely thinking that this book is just not up your alley and not even consider it. However, there is much to be learned here outside the scope of God and religion, a way of life that anyone can apply themselves to and strive to improve the world around them. Valdez gives very tangible reasons and arguments as to why a life dedicated to helping others and appreciating the beauty of this world is one heavily worth considering, and that alone I believe is reason enough to read it. A Marriage of Entertainment and Religion So far I may have made it sound like this book is a strict and serious work of writing one must read wit furrowed brows. However, the truth is much closer to the opposite side of the spectrum. The many personal stories and anecdotes shared by Valdez are often touching, revealing, thought-provoking and comical, with the man having a great sense of humour as well as quality penmanship to help convey it. While some of them do feel a tad tame in comparison with the gut-wrenching biographies of the innumerable James Bonds and Ramboes that seem to have graced the world in the past decades, they all have a curious, if not educative element that elevates them above the status of mere stories. None of the passages feel boring or as if they drag on, with virtually all chapters lasting one to three pages, concise as ever in their purpose. As a matter of fact, at about seventy pages long, there is literally nowhere to get bogged down in this book and you'll no doubt finish it in a short evening. In other words, the author understands exactly what his audience wants and needs. While there are a few tiny hiccups when it comes to the translation, on the whole the book is well written and I wager none of the meaning has

been lost. The Final Verdict To finish things off, I believe Times of Victory to be an insightful, funny and educative read that will serve different people in varying ways, depending on which walks of life they come from. If you have an afternoon to spare and would like to witness a learned man's perspective on God, life and the human condition, then you should definitely give the book a shot. The road towards absolute enlightenment appears infinite, but I feel this is one piece of writing that can move us forth along that path ever so slightly.

Jesus gave his followers a command: "Follow me." And a promise: "And I will equip you to find others to follow me." We were made to make disciples. Designed for use in discipleship relationships and other focused settings, Multiply will equip you to carry out Jesus's ministry. Each of the twenty-four sessions in the book corresponds with an online video at www.multiplymovement.com, where New York Times bestselling author David Platt joins Francis in guiding you through each part of Multiply. One plus one plus one. Every copy of Multiply is designed to do what Jesus did: make disciples who make disciples who make disciples.... Until the world knows the truth of Jesus Christ.
