Theories of law and justice. For the purpose of these notes the term 'law' refers not only to the substantive law, whether developed in the courts, by Parliament or from other sources, but also to procedural rules and principles by which the laws themselves are made and the legal system administered. Justice is a concept that can be described in many handedness.

Law and Justice

Law and Justice (Polish: Prawo i Sprawiedliwo?? [?prav? i sprav]?d?liv??t?] (); PIS) is a national conservative and right-wing populist political party in Poland, a member of the Eurosceptic European Conservatives and Reformists Party. With 198 seats in the Polish Sejm and 48 in the Senate, PiS is currently the largest political party in the Po

Law and Justice - Wikipedia

Difference Between Law and Justice. The concepts of law and justice are often confused and misinterpreted by many. While the two are strictly connected, they are not the same thing. Justice is a broad concept that is based on equality of rights, fairness and morality. Conversely, law is a body of regulations and standards set up by government to enforce an idea of justice.
