An Old Japanese Tale

This book is designed for library school students, beginning cataloguers, and any information professionals who find they have to be cataloguers and have forgotten how.

"Mr Fernando led me into a dark room that was lined with book-cases and smelled of leather and damp. The polished, concrete floor of the library was covered with white jasmine flowers that had blown through the windows during the storm. He began to select from the shelves a collection of disintegrating books. 'If you are going to read any of them, it should really be this one,' he said as he passed me two thick volumes, embossed with gold lettering and spotted with damp. The work was simply called Ceylon and was written by an Irishman named Sir James Emerson Tennent, who had been sent to the island in 1845 by Her Majesty's Government." The Teardrop Island follows in the footsteps of the eccentric Victorian James Emerson Tennent, along a route which takes Cherry to pilgrimage trails, into tea estates and rural regions inhabited by indigenous tribes, as well as through restricted areas of the former warzone, delving under the surface of the contemporary culture via cricket matches and fortune tellers.

About the series: Epic battles, thrilling quests and forbidden love combine in the medieval story of the boy who would be king. A retelling of the Arthurian legends, adapted and illustrated to introduce children aged 7+ to classic folklore. Great to share aloud, just like the original tales. All titles have been leveled for classroom use, including GRLs. When two boys save an old man from robbers, they learn of a competition in Londinium to decide the next king of Britain. The elder, Kay, is determined to prove himself worthy as a knight or a king. The younger is Arthur, a farm boy through and through - until he sees the sword in the stone.

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy.As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy.Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations. There were eggs in every bird ' s nest, the air buzzed with honeybees, and cherry trees blossomed all at once. The poor villagers forgot their cares and gathered in the meadow to sing and dance their time away. But their miserly landlord refused to be happy. Mumbling and grumbling, he sat all alone eating a bowl of cherries and glaring at the merry villagers. Then, quite by accident, he swallowed a cherry pit. The pit began to sprout, and soon the landlord was the wonder of the village—a cherry tree was growing out of the top of his head! What happened to the cherry tree and to the wicked landlord is a favorite joke in Japan. Allen Say tells the story with wit and vitality, and his beautiful drawings complement this classic Japanese tale.

Based on the Oscar winning short film! It's up to Daddy to give his daughter an extra-special hair style in this story of self-confidence and the love between fathers and daughters. Zuri knows her hair is beautiful, but it has a mind of its own! It kinks, coils, and curls every which way. Mum always does Zuri's hair just the way she likes it - so when Daddy steps in to style it for an extra special occasion, he has a lot to learn. But he LOVES his Zuri, and he'll do anything to make her - and her hair - happy. Tender and empowering, Hair Love is an ode to loving your natural hair - and a celebration of daddies and daughters everywhere.

*The bestselling author of The Trouble with Goats and Sheep delivers a suspenseful and emotionally satisfying novel "infused with warmth and humor" (People) about a lifelong friendship, a devastating secret, and the small acts of kindness that bring people together. There are three things you should know about Elsie. The first thing is that she's my best friend. The second is that she always knows what to say to make me feel better. And the third thing...might take a bit more explaining. Eighty-four-year-old Florence has fallen in her flat at Cherry Tree Home for the Elderly. As she waits to be rescued, she thinks about her friend Elsie and wonders if a terrible secret from their past is about to come to light. If the charming new resident is who he claims to be, why does he look exactly like a man who died sixty years ago? From the acclaimed, bestselling author of The Trouble with Goats and Sheep, Three Things About Elsie "breathes with suspense, providing along the way piercing, poetic descriptions, countless tiny mysteries, and breathtaking little reveals...a rich portrait of old age and friendship stretched over a fascinating frame" (Kirkus Reviews, starred review). This is an "amusing and heartbreaking" (Publishers Weekly) story about forever friends on the twisting path of life who come to understand how the fine threads of humanity connect us all.*

Following the seventieth anniversary of the atomic bombing of Hiroshima, this is a new, very personal story to join Sadako and the Thousand Paper Cranes. Yuriko was happy growing up in Hiroshima when it was just her and Papa. But her aunt Kimiko and her cousin Genji are living with them now, and the family is only getting bigger with talk of a double marriage! And while things are changing at home, the world beyond their doors is even more unpredictable. World War II is coming to an end, and since the Japanese newspapers don't report lost battles, the Japanese people are not entirely certain of where Japan stands. Yuriko is used to the sirens and the air-raid drills, but things start to feel more real when the neighbors who have left to fight stop coming home. When the bombs hit Hiroshima, it's through Yuriko's twelve-year-old eyes that we witness the devastation and horror. This is a story that offers young readers insight into how children lived during the war, while also introducing them to Japanese culture. Based loosely on author Kathleen Burkinshaw's mother's firsthand experience surviving the atomic bombing of Hiroshima, *The Last Cherry Blossom* hopes to warn readers of the immense damage nuclear war can bring, while reminding them that the "enemy" in any war is often not so different from ourselves.

As women seek to cultivate an understanding of their lives, a mythological model can provide a tool for self-discovery and realizing individual potential. *The Circle of Nine* presents nine archetypes that represent different, but equally important aspects of the feminine psyche. They portray both the life of the individual and the story of woman as a whole—a circle of ever-changing patterns that is a source of wisdom and inspiration. Three mothers, three queens, and three ladies form the circle. The Great Mother nurtures her children with a love that embraces the cycle of life, the Queen of the Night transforms the raw energy of instinct into skill and vision, and the Lady of the Hearth brings warmth and creativity into the home. By recognizing these and the other six archetypes of the circle, women can hold up a mirror to their souls to gain new perspectives and unlock their potential. Drawing from history, her work with women's groups, and contemporary observations, Cherry Gilchrist presents a mythology that explores the psychology of the modern woman. Her analysis, interpretations, and practical advice help to unravel the mystery of the divine feminine and provide a useful guide for daily life.
