Is your child is afraid of the dark? Does your child cry, whine, crawl into your bed at night, or refuse to go to bed? If so, Uncle Lightfoot, Flip That Switch: Overcoming Fear of the Dark may be just the book to help turn nighttime fears and tears into nighttime fun! The artist has given the Third Edition a new look, with almost all of the more than 90 illustrations now in color! Previous versions of Uncle Lightfoot have been tested at four universities. Michael is afraid at night (e.g., darkness, monsters, noises, burglars, sleeping alone, nightmares). His friend, Jerome, calls him a "scaredy cat." Uncle Lightfoot, a modern-day Creek Indian, is a retired teacher who knows games that can help overcome fear. Michael's parents, his brother, Tim, a young blind neighbor, Elizabeth, and even the farm dog, Lady, are willing to help Michael play the games! During the process of overcoming his fear, Michael also learns to create shadow animals, track animals, ride a horse, calm a goat, and rescue the dog from a cereal box attack! The 88-page children's book contains short chapters (usually only three to five pages), more than 15 games or activities, and more than 90 playful, often humorous illustrations. Edition 3 represents a refinement of the earlier edition that received the Association of Behavioral and Cognitive Therapies (ABCT) 2013 Seal of Merit Award. It is a lively, beautifully illustrated, entertaining book to help children, ages 4 to 8, deal with nighttime fears through a fictional story woven around fun family games. A 14-page Parent Guidebook is included in the Appendix. Researchers in several studies have found clinically significant reduction in nighttime fears in children ages 4 to 8 who used earlier versions of the Uncle Lightfoot materials. Bedtime battles can exhaust fearful children AND their parents - and can interfere with a good night's sleep. Can overcoming nighttime fear be exciting and fun? Uncle Lightfoot, Flip That Switch makes a convincing case that it can be.

Today, Indian dance in Australia is represented by professional dance artists, companies, schools, and amateur community groups. They have, over the years, performed both traditional classical works as well as Bollywood pieces, and participated in various dance and cultural festivals organised throughout Australia. Louise Lightfoot, an Australian architect turned ballet teacher, is credited with successfully promoting a range of Indian classical dance forms. Lightfoot as a dedicated impresario for Ananda Shivaram, Rajkumar Priyagopal Singh, and Ibetombi Devi, urged Australian audiences not to see Indian dance as just an ancient, mysterious, and spiritual art form, but try to truly understand the value of this complex art of Indian dance and culture in order to strengthen cultural bonds. This book brings together Lightfoot's thirty-three essays, reflecting her broader worldview as a dancer, choreographer, and impresario. Louise's essays segue into each other and echo her various encounters with India and its diverse cultural conditions, beliefs and philosophies.

Or How the Problem Was Solved

Lightfoot stamped his hoofs on the hard rocks, shook his horns, wiggled the little bunch of whiskers that hung beneath his chin, and called to another goat who was not far away: "I'm going up on the high rocks!" "Oh, you'd better not," said Blackie. "If you go up there you may slip and fall down here and hurt yourself, or some of the big goats may chase you back." "Well, if they do I'll just jump down again," went on Lightfoot, as he stood on his hind legs. "You can't jump that far," said Blackie, looking up toward the high rocks which were far above the heads of herself and Lightfoot.

Before his 1821 execution for highway robbery, Michael Martin told his life story to a reporter. His rollicking adventures, ranging from Ireland to New England, involve desperate shootouts and daring escapes.

An unabridged republication of the 1921 classic in which Lightfoot encounters animal friends Peter Rabbit, Sammy Jay, Paddy the Beaver and others.

The Last of the New England Highwaymen

Life as a plaything of the divines is harder than it sounds. As one of the downtrodden in Eden's Meadow, TJ has led a life of scraping by as best he could. With little more to his name than a winning smile, his life takes a turn for the interesting as he befriends Serina, a rebellious young woman among the god-like Devas that control his realm. Being a test subject for her magic seems innocent enough, even if she occasionally tinkers with things she shouldn't.

Unfortunately, her experiments on him don't go unnoticed and as soon as her family finds out, he's as good as dead. About to be pulped by dozens of angry higher powers, Serina saves him the only way she can: by binding his soul to hers and flinging him through a portal to another world. Landing in the realm full of dangerous creatures and sinister adversaries, he finds that the pact has changed him in more ways than claiming his soul. The newly minted adventurer has his work cut out for him, especially since he doesn't have any idea how to use the magic that's been stuffed into him, much less what to do about the oaths that require him to love freely and spend his nights carousing. Join TJ on this riveting adventure that spans multiple worlds and help him discover the secrets of the Devas as he struggles to survive and fulfill his oaths. Disclaimer: This series features a protagonist raised in a higher realm where free love and indulgence are the norm and has a set of morals and ethics that are different from our own. While it contains explicit bits, they are clearly tagged and easily skippable if that's not your thing. His story includes building harem-like relationships with multiple devoted women,

and does not fade to black. Also, this story is not game-lit, it doesn't feature crunchy rules-heavy systems, there's not a stat in the house, and the MC doesn't exploit world mechanics. However, it isn't for the faint of heart. For 18+ readers only.

The story opens upon Claude Lightfoot, a reckless 12 year old boy who constantly acts first and thinks later. After being in clash with some bullies, Claude is obliged to miss his First Communion. In the course of the story, Fr. Finn manages to cover a host of topics, including smoking, drinking, the devil, Confession, Holy Communion, retaining one's Baptismal innocence, the 9 First Fridays, the priesthood, mothers and sisters, truthfulness, lying, courage, effeminacy, atheism, sacrilege, baseball, Americanism (true and false), Latin, virtue, honor, leadership, etc.

Originally published in 1932, this book presents a series of memories and appreciations of the Bishop of Durham John Barber Lightfoot (1828-89).

A fascinating and carefully researched biography of the first botanist to seriously record the native plants of Scotland. In addition to a study of his tour of Scotland, and of the publication of 'Flora Scotica', there are chapters on Lightfoot's tours of Devon and Cornwall, and Wales. The book is enhanced by a fine biographical introduction, and a meticulous catalogue of the Lightfoot Herbarium, held at the Royal Botanic Gardens, Kew.

The definitive, full-access story of the life and songs of Canada's legendary troubadour Gordon Lightfoot's name is synonymous with timeless songs about trains and shipwrecks, rivers and highways, lovers and loneliness. His music defined the folk-pop sound of the 1960s and '70s, topped charts and sold millions. He is unquestionably Canada's greatest songwriter, and an international star who has performed on the world's biggest stages. While Lightfoot's songs are well known, the man behind them is elusive. He's never allowed his life to be chronicled in a book--until now. Biographer Nick Jennings has had unprecedented access to the notoriously reticent musician. Lightfoot takes us deep inside the artist's world, from his idyllic childhood in Orillia, the wild sixties, and his canoe trips into Canada's North to his heady times atop the music world. Jennings explores the toll that success took on his personal life--including his troubled relationships, his battle with alcohol and his near-death experiences--and the extraordinary drive and tenacity that pulled him through it all. Rich in voices from fellow musicians, close friends, Lightfoot's family and the singer's own reminiscences, the biography tells the stories behind some of his best-known love songs, including "Beautiful" and "Song for a Winter's Night," as well as the infidelity and divorce that resulted in classics like "Sundown" and "If You Could Read My Mind." Kris Kristofferson has called Lightfoot's songs "some of the most beautiful and lasting music of our time." Lightfoot is an unforgettable portrait of a treasured singer-songwriter, an artist whose work has been covered by everyone from Joni Mitchell, Barbra Streisand and Nico to Bob Dylan, Elvis Presley and Gord Downie. Revealing and insightful, Lightfoot is both an inspiring story of redemption and an exhilarating read. This popular and accessible account of how the Bible has been preserved and transmitted for today's readers is now available in trade paper.

Natasha Lightfoot tells the story of how Antigua's newly freed black working people struggled to realize freedom, prior to and in the decades following their emancipation in 1834. Their continued efforts in the face of oppression complicate common definitions of freedom and narratives about newly freed slaves in the Caribbean.
