Approved Vendors for eFile Software and Substitute Paper

Online Library Maryland Income Tax Software

Tax Forms. Each year, the Comptroller of Maryland tests and approves software and tax forms designed by software developers and vendors for filing Maryland individual and/or business tax returns through the Federal/State eFile Program or on computer-printed substitute paper forms. To avoid delays in processing, it's important that you use an officially approved state tax form and software vendor.

Approved Vendors for eFile Software ... - Marylandtaxes.gov
As long as you have a valid EFIN and use software that is approved for Maryland's electronic filing program, you are eligible to file income tax returns electronically. The Comptroller's Office reserves the right to revoke electronic filing privileges of any electronic filer who varies from these requirements, specifications, or who does not consistently transmit error-free returns.

E-file for Providers - Marylandtaxes.gov

If you use online software to file your Maryland return electronically, and you do not use the federal PIN, the software will generate Form EL101 (Maryland Income Tax Declaration for Electronic Filing) and advise you to sign the form and keep it with your records for three years, along with other applicable attachments. Some tax credits allowed on a Maryland electronic return require supporting documentation to be submitted with Form EL101.
