These are the stories of men and women privileged to meet in friendship and brotherhood with Pope Francis. Their encounters have healed, inspired and helped form a spirituality known as the John 17 movement. The testimonies you will read in these chapters are stories of men and women from different parts of the Lord’s Church: Anglican, Catholic, Charismatic, Evangelical, Orthodox, Pentecostal, etc. As Pope Francis has said so profoundly, "Let's have a gelato; take a walk. When we do, unity has begun."

"This book is a faith builder. It challenges every believer to walk in supernatural signs and wonders as a natural part of everyday life." -John Arnott; Anyone can walk in the miraculous-even you! If you've ever wanted to live and walk in the supernatural power of God, here's your chance!It is truly possible for human people to walk in the divine, and Christ came to show us the way. It is by rediscovering our true identity in Him that we can begin to move into the promises of God regarding the miraculous. Bill Johnson not only teaches the supernatural, he imparts it by changing the way we think.If you are not walking in the miraculous, you're living far below your birthright! By laying a carefully constructed biblical foundation for walking in the supernatural power of God, When Heaven Invades Earth provides all the equipment you need to experience miracles every day.

In this new and beautiful edition designed specifically for women, missionary Sarah Young brings uniquely inspired devotions for every day of the year. After many years of writing in her prayer journal, missionary Sarah Young decided to listen to God with pen in hand, writing down whatever she believed He was saying to her. It was awkward at first, but gradually her journaling changed from monologue to dialogue. She knew her writings were not inspired as Scripture is, but journaling helped her grow closer to God. Others were blessed as she shared her writings, until people all over the world were using her messages. These devotions are written from Jesus' point of view, thus the title Jesus Calling. It is Sarah's fervent prayer that our Savior may bless readers with His presence and His peace in ever deeper measure. This new edition, created in a lovely package for women, will help more readers discover the incredible peace found in the presence of Jesus.

BY LOOKING UPON THE HEART WE CAN ALL BE CHANGED IN AN INSTANT AND LIVE LIFE MORE ABUNDANTLY! The mystery of the biblical heart is unveiled by integrating psychology and Scripture to delineate the five dispositions of the heart, the choice of which we morph into could either enhance or hinder the attainment of abundant life in Christ. Throughout time, people have been searching for the meaning of life and the way to find fulfillment. It is the intention of this book to show how, by Looking upon the Heart, where Jesus may live, we can actualize healing and holiness at any moment in time. In this in-depth, Christian psychology and self-help/textbook, the reader is enlightened as to what good and bad choices we can make about our character and personality; the goal is to consistently be transformed (morphed) out of the unhealthy dispositions of the heart (the broken heart and the hard heart) into healthier ones (the open heart, sweet heart, and the brave heart). Our first basic premise is that we all, believers and unbelievers alike, can and do spontaneously morph continually in and out of various dispositions, character states and personality styles, and so are capable of immediate transformation. The second premise is that grace must prevail; we all would be hypocrites if we judged, because we are all morphing, having our good moments and bad, at any particular moment in real time. Ultimately the overall perspective is that the heart should be the most important human entity known to man. The heart is the primary gatekeeper and decision-maker and, therefore, the overall determiner of the whole person's behavior, personal growth, and spiritual maturity. We are to embrace a complete understanding of the biblical heart, its five dispositions, in order to overcome psychological, behavioral and relational dysfunction and sin. Only then can we successfully and consistently experience oneness with God through Jesus, living and actively operating within our hearts. As a result of "Looking upon the Heart," the Lord reigns and leads us to a life of victory in Jesus.

For more than twenty years, life coach and Steubenville speaker Paul George has helped fellow Catholics discover their purpose by searching themselves, reorganizing their priorities, and establishing a personal relationship with Jesus Christ. In his debut book, George invites you to pursue authentic happiness by surrendering your life to God and focusing on simple joys: daily prayer, a minimalist lifestyle, meaningful relationships, and an ongoing pursuit of God's will. Rethink Happiness is an essential self-help guide for all of us seeking to define our purpose in life. Chock-full of relatable stories about George and his life-long work in ministry, this book will help you discover that true happiness is found when we are totally oriented to God. With the same high energy he brings to his talks to youth and adult audiences, George will help you identify what you're truly looking for in life. The book opens with the idea that we are all searching for happiness but looking in the wrong places. We're hungry for God's love, but we're stuffing ourselves with shallow relationships and unchecked materialism. George invites you to rethink this formula, by first recognizing that it's God you want and then surrendering everything to him. Embedded in Catholic wisdom, truth, and the basic tenants of living a meaningful life, this book will teach you to reconsider your priorities in light of God's love; rethink how you spend your time and money; focus on building meaningful and healthy relationships; reject the dizzying pursuit of fame and prestige; seek self-worth in relationship with God; and serve God in the simplest way: by loving others. Rethink Happiness dares you to live differently. Satisfy your appetite for happiness once and for all by rooting yourself in God and opening to the joy only he can offer.

Nocturne on "Lord, I Need You"

*The Child Protective Services in the United States failed its promise to me to be a country of a world using a word called God . It deceived me into thinking that what I hear and see is not really what it is.*

*I have been in more than one Bible study class in which someone thought that Paul wrote Thessalonians to the people in a country called Thessalonia and Galatians to the people of the city of Galatia. And to add to their confusion, they had no idea whatsoever where either was located. In my studies of the Bible and Apocrypha, I have discovered that an understanding of the places involved often adds a whole new meaning to the stories and events. In many cases the background, topography, history, and culture of a place either help to make sense of an otherwise rather enigmatic situation, or enrich and flesh out a statement or event. Over the course of human existence, various cultures, traditions, and languages arose from the building of the Tower of Babel as described in the book of Genesis chapter 11. The diversity of cultures and traditions in the world today have made people serve God through the eyes of man and not the way God want to be truly honored. This book cuts across many religious differences in the service of God, resulting from different cultures and practices of men, cutting across countries like Nigeria, United Kingdom, and the United States. The world, although global, is also a small village and moving from one nation to another can either change the thinking of man through the acquisition of new knowledge or the dethronement of the knowledge already resident in man. A general picture of this book shows how cultural groups started and how traditions of men end up creeping into the church of Christ and dethrones the true laws of God and ends up satisfying the sinful nature of men who are not watchful.*

*What does it mean to praise God? In the ancient world, something extraordinary happened when God's people gathered to worship Him. It was more than just singing; it was a declaration, a proclamation, a time to fully embody praise to God for who He is and what he has done. In fact, in the Psalms, seven Hebrew words are translated into the English word praise, each of which represents a different aspect of what it means to truly praise God. In Holy Roar, Chris Tomlin and Darren Whitehead share a fresh perspective from the worship practices of the ancient world. Grow in your understanding of praise as Darren offers unique insights. Be inspired as Chris shares how those insights take shape in the stories behind some of your favorite worship songs, including "How Great Is Our God," "We Fall Down," and "Good Good Father." Whether for your own personal use or for use in your church small group, Holy Roar provides insight and encouragement to deepen your practice of praise. Become a part of the Holy Roar.*

*You could argue that Dennis Amiss' seven-decade cricket career started the day he was born, when his parents named him after not one but two celebrated cricketers. Or maybe it started when he was 7, sneaking into the Birmingham Cooperative Society to play a few matches with his friends - as long as they avoided the groundskeeper! Or perhaps it was on 7 April 1958; not only his fifteenth birthday, but also his first day as a professional cricketer. Whatever day you start on, there's no denying that Amiss has had an extraordinary career. He is one of England's cricketing greats, with 100 first-class hundreds to his name and a place as one of Wisden's Cricketers of the Year. Hugely well-respected on and off the pitch, he didn't shy away from controversy, taking part in the 1982 'Rebel Tour' of Apartheid South Africa, and somehow ending up in the midst of the battle between World Series Cricket and the England Cricket Board. Not Out at Close of Play is the story of how passion, commitment and practice - and no small amount of stubbornness! - took a boy from the backstreets of Birmingham to worldwide cricket stardom.*

*A collection of wildly inventive portraits of musician Tom Waits, the result of a 30-year collaboration with photographer and illustrator Matt Mahurin This visually arresting book is a testament to the unique collaboration, going back three decades, between the photographer and illustrator Matt Mahurin and the musician Tom Waits. Having shot magazine portraits, album covers, and music videos of Waits, Mahurin was inspired to resurrect 100 dormant film negatives as a jumping off point to explore his own surreal, poetic, and occasionally dark vision. The images vary from traditional portraits to ones that capture Waits in concert—but the majority are richly imagined scenes in which Waits is more muse than musician. In addition to the diverse images, the book includes a foreword by Waits, an essay by Mahurin on their longtime collaboration, and 20 original paintings, drawings, photographs, and digital images inspired by Waits's song titles.*

A disruptive and surprising journey through the Beatitudes. Most of the time, life doesn't work out like we expect it will. We spend time and energy trying to climb some sort of spiritual ladder, oblivious to the fact that it is God who is moving toward us. We want answers to our problems, yet what is offered is presence. What if we were to become united with our brokenness rather than our victories? What if God moves closest to us in the absence, the ache, and the longing? Words from the Hill turns each beatitude on its head to see the unexpected beneath the understood—diving into the story of a woman on death row to speak about mercy, personal stories from the Israeli-Palestinian conflict to talk about peace, and much more. Stu Garrard has walked with these people in their stories, and he vulnerably offers his own as he unpacks the Good News of the Beatitudes. God is on your side, and He is closer than you think.

In rhyming text, the author presents an introduction for children and families to the celebration of Advent and the events leading up to Christmas and the birth of Jesus.
