Merriam-Webster's Collegiate Dictionary

"AAA uses The Chicago Manual of Style (15th edition, 2003) and Merriam-Webster's Collegiate Dictionary (11th edition, 2006), MLA style manual (2nd edition, 1998), and United States Government Printing Office. This guide is an outline of style rules basic to AAA style. Where no rule is present on this list, follow Chicago. For spelling, follow Webster's first spelling choice and use American not British spellings. This guide does not apply to newsletters, which frequently deviate from these guidelines in the interest of space and tend to follow Press style rules."--P. 1.

"A concise guide to the essential language of medicine. More than 35,000 entries. Pronunciations provided for all entries. Covers brand names and generic equivalents of common drugs.

A collection of alphabetically arranged entries that provide the synonyms and antonyms for over 4,800 words.

Welding Skills, Processes and Practices for Entry-Level Welders: Book 2

10,000 entries cover vocabulary, etymologies, definitions, concepts, the judicial system, landmark cases, and government agencies

Presents concise definitions, pronunciations, abbreviations, some illustrations, usage examples, and synonyms with ten thousand new words and meanings.

“We think of English as a fortress to be defended, but a better analogy is to think of English as a child. We love and nurture it into being, and once it gains gross motor skills, it starts going exactly where we don’t want it to go: it heads right for the goddamned electrical sockets.” With wit and irreverence, lexicographer Kory Stamper cracks open the obsessive world of dictionary writing, from the agonizing decisions about what to define and how to do it to the knotty questions of ever-changing word usage. Filled with fun facts—for example, the first documented usage of “OMG” was in a letter to Winston Churchill—and Stamper’s own stories from the linguistic front lines (including how she became America’s foremost “irregardless” apologist, despite loathing the word), Word by Word is an endlessly entertaining look at the wonderful complexities and eccentricities of the English language.

Covers basic grammar, punctuation, spelling, and idiomatic phrases of American English.
