

## Midsomer Murders Season 20 Episodes List Next Episode

Write powerful queries using as much of the feature-rich Oracle SQL language as possible, progressing beyond the simple queries of basic SQL as standardized in SQL-92. Both standard SQL and Oracle’s own extensions to the language have progressed far over the decades in terms of how much you can work with your data in a single, albeit sometimes complex, SQL statement. If you already know the basics of SQL, this book provides many examples of how to write even more advanced SQL to huge benefit in your applications, such as: Pivoting rows to columns and columns to rows Recursion in SQL with MODEL and WITH clauses Answering Top-N questions Forecasting with linear regressions Row pattern matching to group or distribute rows Using MATCH\_RECOGNIZE as a row processing engine The process of starting from simpler statements in SQL, and gradually working those statements stepwise into more complex statements that deliver powerful results, is covered in each example. By trying out the recipes and examples for yourself, you will put together the building blocks into powerful SQL statements that will make your application run circles around your competitors. What You Will Learn Take full advantage of advanced and modern features in Oracle SQL Recognize when modern SQL constructs can help create better applications Improve SQL query building skills through stepwise refinement Apply set-based thinking to process more data in fewer queries Make cross-row calculations with analytic functions Search for patterns across multiple rows using row pattern matching Break complex calculations into smaller steps with subquery factoring Who This Book Is For Oracle Database developers who already know some SQL, but rarely use features of the language beyond the SQL-92 standard. And it is for developers who would like to apply the more modern features of Oracle SQL, but don’t know where to start. The book also is for those who want to write increasingly complex queries in a stepwise and understandable manner. Experienced developers will use the book to develop more efficient queries using the advanced features of the Oracle SQL language.

The Secret of Chimneys Never do favors—that’s the lesson it would’ve behooved Anthony Cade to learn before getting himself wrapped up in a case of conspiracy and murder. Politician George Lomax has persuaded Lord Caterham to host a weekend party at Chimneys, his country estate. Lomax hopes to cement plans to reinstate the monarchy in Herzegovina. But when the prince of Herzegovina turns up dead, Cade has a lot of explaining to do. After all, his footprints were found on the grounds . . . though not inside the house. The Secret of Chimneys As one criminal conspiracy leads to another, both Scotland Yard and the French S ũ ret é are on the scene to set things right. Soon, thanks to the detective work of Superintendent Battle, everyone’s secrets—and the secret of Chimneys itself—will be on display. A young drifter finds more than he bargained for when he agrees to deliver a parcel to an English country house. . . The Secret of Chimneys Little did Anthony Cade suspect that a simple errand on behalf of a friend would make him the centrepiece of a murderous international conspiracy. Someone would stop at nothing to prevent the monarchy being restored in faraway Herzoslovakia. The Secret of Chimneys The combined forces of Scotland Yard and the French Surete can do no better than go in circles – until the final murder at Chimneys, the great country estate that yields up an amazing secret. . . The Secret of Chimneys At the request of George Lomax, Lord Caterham reluctantly agrees to host a weekend party at his home, Chimneys. A murder occurs in the house, beginning a week of fast-paced events with police among the guests. The novel was well received at first publication, described as more than a murder mystery, as it is a treasure hunt. Later reviews found it a first-class romp and one of the author’s best early thrillers. The most recent review says the novel requires a hefty suspension of disbelief. The later reviewers note that descriptions of characters use the terminology of the times in which it was written, and might be considered racist decades later. The Secret of Chimneys The novel was written in 1925. The characters in the story refer to events that occurred about 7 years earlier, that is, at the end of the Great War when the Austro-Hungarian and Ottoman Empires were broken up. The war is never mentioned directly. Instead, in Chapter 19, Superintendent Battle says: "Just over seven years ago, there was a lot what they called reconstruction going on especially in the Near East." At the same time, many royal persons were in England, including the Queen of Herzoslovakia, and Count Styplitch; all the Balkan states were interested parties in discussions taking place. It is at this time that the Koh-i-Noor diamond disappeared in the plot. Later, in an unspecified year, the Herzoslovakians rose up against the king and his commoner wife. About that time, Mrs. Virginia Revel and her husband Tim were part of the diplomatic mission from the UK to Herzoslovakia, so that Mrs. Revel had met Prince Michael; she was the only such person at the house party, to know Prince Michael, but not the only person in the house. The time immediately after the war was when the theft, solved in this novel, happened. The Secret of Chimneys

In the villages of Midsomer there are strange murders to solve, new clues to examine and scores of suspects to suspect. Contains the final feature length episodes of Season 20: 3) The Sting of Death and 4) With Baited Breath.

'Simply the best detective writer since Agatha Christie' The Sunday Times Named by the CWAs as one of 'The Top 100 Crime Novels of All Time', The Killings at Badger's Drift is the first spectacular novel in the Midsomer Murders series by Caroline Graham, the novel that inspired the ITV hit drama, now featuring an exclusive foreword by John Nettles who played best-loved TV detective and star of Midsomer Murders, DCI Tom Barnaby. If you love Agatha Christie, Ann Granger and James Runcie's The Grantchester Mysteries, you won't be able to get enough of the Midsomer Murders mysteries. The village of Badger's Drift is the essence of tranquility. But when resident and well-loved spinster Miss Simpson takes a stroll in the nearby woods, she stumbles across something she was never meant to see, and there's only one way to keep her quiet. Miss Simpson's death is not suspicious, say the villagers. But Miss Lucy Bellringer refuses to rest: her friend has been murdered. She is sure of it. She calls on Detective Chief Inspector Barnaby to investigate, and it isn't long until the previously unseen seamy side of Badger's Drift is brought to light. But as old rivalries, past loves and new scandals surface, the next murder is not far away. Praise for Caroline Graham's novels: 'One to savour' Val McDermid 'A mystery of which Agatha Christie would have been proud. . . A beautifully written crime novel' The Times 'Tension builds, bitchery flares, resentment seethes . . . lots of atmosphere' Mail on Sunday 'A witty, well-plotted, absolute joy of a book' Yorkshire Post 'Swift, tense and highly alarming' TLS 'Lots of excellent character sketches . . . and the dialogue is lively and convincing' Independent 'Read her and you'll be astonished . . . very sexy, very hip and very funny' Scotsman

Midsomer Murders Season 21 : Part 2
Commander Adam Dalgliesh is already acquainted with the Dupayne Museum in Hampstead, and with its sinister murder room celebrating notorious crimes committed in the interwar years, when he is called to investigate the killing of one of the trustees. He soon discovers that the victim was seeking to close the museum against the wishes of both staff and fellow trustees. Everyone, it seems, has something to gain from the crime. When it becomes clear that the killer is prepared to kill again, inspired by the real-life crimes from the murder room, Dalgliesh knows that to solve this case he has to get into the mind of a ruthless killer. The investigation is complicated for Dalgliesh by his love for Emma Lavenham, but their relationship, at a sensitive stage for them both, is continually frustrated by the demands of his job. As step by step he moves closer to the murderer, is the investigation taking him further away from commitment to the woman he loves? Award-winning P.D. James (author of Death Comes to Pemberley, The Murder Room and A Certain Justice) plots a thrilling work of crime fiction packed with intrigue and suspense. In 2004, this novel was adapted for BBC television and starred Martin Shaw as Adam Dalgliesh and Janie Dee as Emma Lavenham.
Foyle's War: the truth that Inspired the Fiction shows how much historical research was conducted prior to the writing of every episode and the crafting of each murder mystery. Illustrated throughout with photos from the series and of real wartime events, people and places that inspired it, this fascinating book provides an intriguing insight into law and order on the home front between 1939 and 1945, offering a wealth of background information on the living and working conditions for ordinary people during that time, on the role of the police in wartime and the crimes on which the plotlines of Foyle's War are based.
Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online.

Excerpt: The following is a list of episodes for the British drama Midsomer Murders that first aired in 1997. As of 20 April 2011, 84 episodes have aired, in fourteen series and two Christmas specials. Midsomer Murders is a British television drama that has aired on ITV since 1997. A detective drama, it focuses on the main character of Detective Chief Inspector John Barnaby, played by Neil Dudgeon. Prior to 2011, the chief character was DCI Tom Barnaby, elder cousin of the current character, who left the series when actor John Nettles decided to give up the role. The stories revolve around Barnaby's efforts to solve the numerous crimes that take place in the fictional English county of Midsomer, assisted by successive Detective Sergeants – DS Gavin Troy (Daniel Casey), DS Dan Scott (John Hopkins), and DS Ben Jones (Jason Hughes). It is based on a series of crime novels by the author Caroline Graham and was previously adapted by Anthony Horowitz. Detective Chief Inspector Tom Barnaby - A...
Backstage at the Causton Amateur Dramatic Socirty's production of Amadeus, nerves are fraying. On top of the fractious cast hierarchy imposed by Harold Winstanley, director and would-be impresario, cast member Esslyn Carmichael suspects his wife is having an affair with the leading man. And where better to settle scores than the stage? On opening night, Chief Inspector Tom Barnaby attends, purely as a member of the audience. But when someone turns Esslyn's final grand gesture into a very gruesome coup de theatre, Barnaby suddenly finds himself centre stage...

***The majority of the pretty villages that make up Midsomer country are actually strewn over four counties - Berkshire, Buckinghamshire, Hertfordshire and Oxfordshire. Here for the first time is a comprehensive guide to the gorgeous locations used in filming the series. From Aldbury to Windsor, this book, published in conjunction with the Midsomer Murders Society, surveys over one hundred of these picturesque locations, complete with filming anecdotes. However, it concentrates primarily on the historical aspects of each site, most of which are open to the public and worth a visit in their own right. The guide is fully indexed by county and episode, and covers everything from public houses to churches and stately homes. Midsomer Murders on Location is extensively illustrated and contains maps to assist the reader in planning their own visit. This book is a must for all Midsomer Murders enthusiasts as well as those interested in visiting some of England's finest countryside. Published in conjunction with The Midsomer Murders Society and Bentley Productions.***

***This book deals with the role of television drama in Europe as enabler of transnational, cultural encounters for audiences and the creative community. It demonstrates that the diversity of national cultures is a challenge for European TV drama but also a potential richness and source of creative variation. Based on data on the production, distribution and reception of recent TV drama from several European countries, the book presents a new picture of the transnational European television culture. The authors analyse main tendencies in television policy and challenges for national broadcasters coming from new global streaming services. Comparing cases of historical, contemporary and crime drama from several countries, this study shows the importance of creative co-production and transnational mediated cultural encounters between national cultures of Europe.***

***Charlie Leathers was not the most popular man in the charming English village of Ferne Basset, but few people seemed to hate him enough to murder him. Still, that was his fate one night, and it brings Inspector Barnaby to the scene to investigate. What Barnaby doesn't know is that before his death, Charlie witnessed what might have been the suicide--or murder--of a young woman whose troubles with the law have landed her in the home of a local retired minister and his none-too-pleased wife. Now a man is dead, a girl is missing, and a town is in chaos as long-kept secrets begin to unravel, with deadly repercussions.***

This book offers the first international look at how script development is theorised and practiced. Drawing on interviews, case studies, discourse analysis, creative practices and industry experiences, it brings together scholars and practitioners from around the world to offer critical insights into this core, but often hidden, aspect of screenwriting and screen production. Chapters speculate and reflect upon how creative, commercial and social practices – in which ideas, emotions, people and personalities combine, cohere and clash – are shaped by the practicalities, policies and rapid movements of the screen industry. Comprising two parts, the book first looks ‘into’ script development from a theoretical perspective, and second looks ‘out’ from the practice to form practitioner-led perspectives of script development. With a rising interest in screenwriting and production studies, and an increased appetite for practice-based research, the book offers a timely mapping of the terrain of script development, providing rich foundations for both study and practice.

'Simply the best detective writer since Agatha Christie' The Sunday Times Discover the novels that inspired the hit ITV series Midsomer Murders, seen and loved by millions. The fourth novel in the Midsomer Murders series by award-winning writer Caroline Graham, Written in Blood, stars Detective Chief Inspector Barnaby. Features an exclusive foreword by John Nettles, ITV's DCI Tom Barnaby. If you love Agatha Christie, Ann Granger and James Runcie's The Grantchester Mysteries, you won't be able to get enough of the Midsomer Murders mysteries. Despite the fierce, and seemingly personal, objections of secretary Gerald Hadleigh, members of the Midsomer Worthy Writers' Circle press ahead and invite bestselling author Max Jennings to talk to their group. Besides, it's not as though he'll say yes. . . So when Jennings turns up to their meeting, they are completely over-awed by his presence. But before the evening is over, Gerald has been brutally murdered. Summoned to investigate, Detective Chief Inspector Tom Barnaby discovers that Gerald's life was as much of a mystery to his neighbours as his violent death. The key to the killing must surely be their illustrious guest speaker, a face from Gerald's past. But Jennings is nowhere to be found. . . Praise for Caroline Graham's novels: 'A mystery of which Agatha Christie would have been proud. . . This book provides an historical analysis of the TV crime series as a genre, paying close attention not only to the nature of TV dramas themselves, but also to the context of production and reception.

'Simply the best detective writer since Agatha Christie' The Sunday Times Discover the novels that inspired the hit ITV series Midsomer Murders, seen and loved by millions. A Ghost in the Machine is the captivating seventh novel in the Midsomer Murders series starring Detective Chief Inspector Barnaby. Features an exclusive foreword by John Nettles, ITV's DCI Tom Barnaby. If you love Agatha Christie, Ann Granger and James Runcie's The Grantchester Mysteries you'll love the Midsomer Murders mysteries by Caroline Graham. For all its old-fashioned charm, Forbes Abbot is far from the close-knit community that ex-Londoners Mallory and Kate Lawson expected. In this village, everyday squabbles can quickly turn to murder. As the couple begins to settle into their new life away from the big city, it isn't long until they're thrown into the horror and mayhem of a true Midsomer Murders mystery. Detective Chief Inspector Barnaby has encountered many intriguing cases in his years on the force, but soon he will discover that the incident of the ghost in the machine is the most challenging of them all. Praise for Caroline Graham's novels: 'Wickedly acidic, yet sympathetic' Publishers Weekly 'Swift, tense and highly alarming' TLS 'One to savour' Val McDermid 'Lots of excellent character sketches . . . and the dialogue is lively and convincing' Independent 'Hard to praise highly enough' The Sunday Times 'Her books are not just great whodunits but great novels in their own right' Julie Burchill 'Enlivened by a very sardonic wit and turn of phrase, the narrative drive never falters' Birmingham Post 'An uncommonly appealing mystery . . . a real winner' Publishers Weekly 'Read her and you'll be astonished . . . very sexy, very hip and very funny' Scotsman 'The mystery is intriguing, the wit shafts through like sunlight . . . do not miss this book' Family Circle

Though it is a Sports base book so I finalize the name "The Sports Quiz"

A hilarious, heartfelt romp that will bring you home to yourself. You don't have to be a knitter to fall in love with this book—any person who’s ever made anything with their hands will dive joyfully into these pages and come back up renewed and ready to create. Tenth Anniversary Edition - This beloved bestseller is newly updated with fresh stories and extra devotion to the happiness found in everyday tools. Internationally bestselling author Rachael Herron shows that when life unravels, there’s usually a way to knit it back together again, and if there’s not, there’s still hope to be found in the simple tools of the craft. Honest, funny, and full of warmth, Herron's tales, each inspired by something she knitted, will speak to anyone who’s ever loved (or lost). From her very first sweater (a hilarious disaster) to the yellow afghan that caused a breakup (and, ultimately, a breakthrough), every chapter has a moving story behind it. This beautifully candid collection about crafting the art of happiness through joy and grief is perfect for fans of Elizabeth Gilbert and Glennon Doyle. Click BUY now! Rachael Herron is the author of more than two dozen books, including thriller (under R.H. Herron), mainstream fiction, feminist romance, memoir, and nonfiction about writing. She received her MFA in writing from Mills College, Oakland, and she teaches writing extension workshops at both UC Berkeley and Stanford. She is a proud member of the NaNoWriMo Writer’s Board. An AmeriKiwi, she’s currently living in New Zealand.

What do they look like? What do mediums see? What exactly is an orb? How can you develop your own psychic abilities? This companion book to the smash-hit series Most Haunted will answer all the questions you've ever wanted to ask about the paranormal. Based on indepth interviews with presenters Yvette Fielding and Derek Acorah, and with their intrepid TV crew, it provides a behind-the-scenes insight into the ghoulish goings-on in haunted locations around the country. Find out what really happened at Owlpen Manor,

Brannigan's Nightclub and the Drury Lane Theatre. Did the antique baby's crib really start rocking back and forth of its own accord in Athelhampton Hall? Who, or what, punched Stuart in the stomach at the Ancient Ram Inn? And how did Derek feel when he was possessed by the spirit of the evil Mr. Godfrey Parks? Most Haunted will fascinate and intrigue both sceptics and believers alike.

**\*\*A Guardian 'Best Thriller of the Year!」\*\*** The New York Times bestselling author of Magpie Murders and Moriarty brilliantly reinvents the classic crime novel once again with this clever and inventive mystery starring a fictional version of the author himself as the Watson to a modern-day Holmes, investigating a case involving buried secrets, murder, and a trail of bloody clues. A woman crosses a London street. It is just after 11am on a bright spring morning, and she is going into a funeral parlor to plan her own service. Six hours later the woman is dead, strangled with a crimson curtain cord in her own home. Enter disgraced police detective Daniel Hawthorne, a brilliant, eccentric man as quick with an insult as he is to crack a case. And Hawthorne has a partner, the celebrated novelist Anthony Horowitz, curious about the case and looking for new material. As brusque, impatient, and annoying as Hawthorne can be, Horowitz—a seasoned hand when it comes to crime stories—suspects the detective may be on to something, and is irresistibly drawn into the mystery. But as the case unfolds, Horowitz realizes he's at the center of a story he can't control . . . and that his brilliant partner may be hiding dark and mysterious secrets of his own. A masterful and tricky mystery which plays games at many levels, The Word Is Murder is Anthony Horowitz at his very best.

Agatha Christie’s ingenious murder mystery thriller, reissued with a striking cover designed to appeal to the latest generation of Agatha Christie fans and book lovers.

The Truth that Inspired the Fiction

A Chief Inspector Barnaby Novel

The Official Behind-the-scenes Guide

London, present day. The body of an unidentified young man is found face down in a suburban street. Who is he and where did he come from? He has no ID and nobody witnessed anything. It's as if he has just fallen from the sky... Pathologists and police working on the case must uncover the truth and piece the story - and body - of this 'John Doe' back together. A breakthrough sends DC John Kavura into overdrive and as his investigation unravels, he uncovers a haunting story of our time. Inspired by real events, Fiona Doyle's play The Strange Death of John Doe is a powerful and poignant drama that premiered at Hampstead Theatre Downstairs, London, in 2018, and was a finalist for the Susan Smith Blackburn Prize.

A labyrinth of clues. A mystery novel hiding a deadly secret. A killer with a fiendish plot: a brilliantly intricate and original thriller from the bestselling author of Magpie Murders \_\_\_\_\_ 'Absolutely loved it. So clever, just masterful stuff.' Richard Osman 'A beautiful puzzle: fiendishly clever and hugely entertaining. A masterpiece.' Lucy Foley, author of The Hunting Party Retired publisher Susan Ryeland is running a small hotel on a Greek island with her long-term boyfriend. But life isn't as idyllic as it should be: exhausted by the responsibility of making everything work on an island where nothing ever does, Susan is beginning to miss her literary life in London - even though her publishing career once entangled her in a lethal literary murder plot. So when an English couple come to visit with tales of a murder that took place in a hotel the same day their daughter Cecily was married there, Susan can't help but find herself fascinated. And when they tell her that Cecily has gone missing a few short hours after reading Atticus Pund Takes The Case, a crime novel Susan edited some years previously, Susan knows she must return to London to find out what has happened. The clues to the murder and to Cecily's disappearance must lie within the pages of this novel. But to save Cecily, Susan must place her own life in mortal danger... \_\_\_\_\_ Want to read more Atticus Pund and Susan Ryeland? Order a copy of Sunday Times bestseller and the #1 ebook bestseller MAGPIE MURDERS, out now. \_\_\_\_\_ 'You have to hand it to Horowitz: the guy never fails to deliver a total page-turner. Back in 2016 he wrote Magpie Murders; it became an instant global bestseller and picked up a string of awards. Moonflower Murders is the sequel - and what a sequel. We LOVED it.' Richard Madeley, Richard & Judy Book Club 'Anthony Horowitz is so good at pivoting his stories onto their heads, launching his characters in totally unexpected new directions.' Judy Finnigan, Richard & Judy Book Club 'Moonflower Murders: I'm blown away. He's managed to come up with something even more amazing than the last one! If you read Horowitz you will not be able to casually read other mysteries for a while.' Hideo Kojima 'There is no mystery writer whose puzzles make me think, 'Ooh, I can't wait!' more than Anthony Horowitz. He is a master of the cunning plot device, and brings zest and originality to the traditional murder mystery novel.' Sophie Hannah 'It is always a pleasure to read a new Anthony Horowitz mystery ... a wonderfully enjoyable read' Ragnar Jonasson 'I came to Moonflower Murders already a fan of Anthony Horowitz's unique and complex style of crime fiction from Magpie Murders... [I found it] very exciting to give her a voice, aware always not to go too fast because I couldn't wait to turn the page!' Lesley Manville, narrator of the Moonflower Murders audiobook 'So clever, a story within a story within a story. A triumph.' Kate Mosse

In most subtling countries, those lines at the bottom of the screen are the most read medium of all, for which reason they deserve all the academic attention they can get. This monograph represents a large-scale attempt to provide such attention, by exploring the norms of subtiting for television. It does so by empirically investigating a large corpus of television subtitles from Scandinavia, one of the bastions of subtiting, along with other European data. The aim of the book is twofold: first, to provide an advanced and comprehensive model for investigating translation problems in the form of Extralinguistic Cultural References (ECRs). Second, to empirically explore current European television subtiting norms, and to look into future developments in this area. This book will be of interest to anyone interested in gaining access to state-of-the-art tools for translation analysis, or in learning more about the norms of subtiting, based on empirically reliable and current material.

From Sean Connery to Roy Rogers, from comedy to political satire, films that include espionage as a plot device run the gamut of actors and styles. More than just "spy movies," espionage films have evolved over the history of cinema and American culture, from stereotypical foreign spy themes, to patriotic star features, to the Cold War plotlines of the sixties, and most recently to the sexy, slick films of the nineties. This filmography comprehensively catalogs movies involving elements of espionage. Each entry includes release date, running time, alternate titles, cast and crew, a brief synopsis, and commentary. An introduction analyzes the development of these films and their reflection of the changing culture that spawned them.

*Examining work by novelists, film-makers, TV producers and songwriters, this book uncovers the manner in which the radio – and the act of listening – has been written about for the past 100 years. Ever since the first public wireless broadcasts, people have been writing about the radio: often negatively, sometimes full of praise, but always with an eye and an ear to explain, and offer an opinion about what they think they have heard. Novelists including Graham Greene, Agatha Christie, Ernest Hemmingway, and James Joyce wrote about characters listening to this new medium with mixtures of delight, frustration, and despair. Clint Eastwood frightened moviegoers half to death in Play Misty for Me, but Lou Reed's Rock & Roll said listening to a New York station had saved Jenny's life. Frasier showed the urbane side of broadcasting, whilst Good Morning Vietnam exploded through transistor radios with a raw energy all of its own. Queen thought that all the audience heard was gaga, even as the Buggles said video had killed the radio star and Tom Petty and the Heartbreakers lamented The Last DJ. This book explores the cultural fascination with radio; the act of listening as a cultural expression – focusing on fiction, films and songs about radio. Martin Cooper, a broadcaster and academic, uses these movies, TV shows, songs, novels and more to tell a story of listening to the radio – as created by these contemporary writers, film-makers, and musicians.*

*Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 20. Chapters: Anthony Horowitz, Caroline Graham, Dead in the Water (Midsomer Murders), Destroying Angel (Midsomer Murders episode), Electric Vendetta, List of Midsomer Murders episodes, Orchis Fatalis (Midsomer Murders), Painted in Blood (Midsomer Murders), Ring Out Your Dead, Tom Barnaby. Excerpt: The following is a list of episodes for the British drama Midsomer Murders that first aired in 1997. As of September 25, 2012, 92 episodes have aired, in fifteen series and two Christmas specials, "The Ghost of Christmas Past" in 2004 and "Days of Misrule" in 2008. Midsomer Murders is a British television detective drama that has aired on ITV since 1997. The show is based on the books by Caroline Graham, as originally adapted by Anthony Horowitz. The current lead character is DCI John Barnaby (Neil Dudgeon) who works for Causton CID. Dudgeon's character is the younger cousin of former lead character Tom Barnaby (John Nettles). Dudgeon joined the show in 2011 following Nettles' departure. The stories revolve around the Barnabys' efforts to solve the numerous murders that take place in the fictional English county of Midsomer. Barnaby has had several Sergeants throughout the run of the show: DS Gavin Troy (Daniel Casey), DS Dan Scott (John Hopkins) and currently DS Ben Jones (Jason Hughes). Detective Chief Inspector Thomas "Tom" Geoffrey Barnaby (John Nettles) (series 1-13)-A senior member of Causton CID, Barnaby formerly worked for MI6. A patient, tolerant man, Barnaby's style of investigation is methodical and fair. Barnaby is a sagacious and perceptive individual, able to recognise seemingly obscure clues. Barnaby's social life revolves around his wife Joyce and his daughter Cully, who often provide a personal connection with the crimes that he is investigating. Barnaby's parents are both deceased by the episode "Blue Herrings." In...*

*A quaint English village is home to a murderer in the Macavity Award-winning mystery series debut that launched the British crime drama Midsomer Murders. Badger's Drift is the ideal English village, complete with vicar, bumbling local doctor, and kindly spinster. But when the spinster dies suddenly, her best friend kicks up a fuss loud enough to attract the attention of Detective Chief Inspector Barnaby. And when Barnaby and his eager-beaver deputy start poking around, they uncover a swamp of ugly scandals and long-suppressed resentments seething below the picture-postcard prettiness. In the grand English tradition of the quietly intelligent copper, Barnaby has both an irresistibly dry sense of humor and a keen insight into what makes people tick. The Killings at Badger's Drift marks Inspector Barnaby's debut, and offers ample proof that Caroline Graham may indeed be "simply the best detective writer since Agatha Christie" (Sunday Times of London). "Murder most pleasing . . . a corking good mystery." —Los Angeles Times*

*All is not well in the beautiful county of Midsomer. On the eve of its first Villages In Bloom competition, a man lies dead, smelling of damson jam. Who could have done it? Well, that's where you come in. Step into the shoes of Midsomer CID's newest recruit, choose your own path and decide which way the story goes. Will you get to the bottom of the mystery? Will you bring the perpetrator to justice? And perhaps most importantly of all, could you avoid an untimely, and possibly bizarre, death... will YOU survive Midsomer? Your task is to make the right choices, solve the case and - most tricky of all - stay alive!... Good luck. An official Midsomer Murders Interactive novel set in ITV's most celebrated and murderous county.*

Meet Tannie Maria: She's fifty-something, short and soft (perhaps a bit too soft in the wrong places) with brown curls and untidy Afrikaans. She is also the agony aunt for the local paper, the Klein Karoo Gazette. One day, her life takes a s woman in the area is murdered and she becomes entangled in the investigation ... to the intense irritation of a handsome local policeman. But what else will this amateur detective uncover in a small town marinated in secrets? Warm, poignant and entertaining, Sally Andrew's delightful heroine blends together intrigue, romance and cooking in this irresistible new mystery, complete with a few mouth-watering recipes.
