Modern Romance: An Investigation is a research book written by American actor and stand-up comedian Aziz Ansari and American sociologist and New York University professor Eric Klinenberg. The book was published in 2015 and provides research information exploring the change in romantic society that has occurred in the past decade. One of the main concepts in the book concerns the paradox of choice in relationships: having more options may seem better at first glance, though so many options can ul

Modern Romance by Aziz Ansari - Goodreads

Modern Romance is something a bit more unique: a comprehensive, in-depth sociological investigation into the 'many challenges of looking for love in the digital age.' Modern Romance gives an impressive overview of how the dating game has changed with the advent of cell phones and the Internet.

Modern Romance: An Investigation eBook: Ansari, Aziz ...

One of the weirdest things I came across in Aziz Ansari's new book, Modern Romance, is that Japanese dudes apparently show zero interest in having sex. Approximately 60% of single Japanese males in their 20s and 30s identify themselves as "herbivores." This is a term popularized in Japan that describes overly shy and passive Japanese ...
