

## Novena To St Alphonsa

***The devotion of the Flame of Love of the Immaculate Heart of Mary was given to the Church for the specific purpose of blinding Satan so that he loses his influence over our families, our communities-over all people. The movement began with the heart of the poor and humble Hungarian mystic and Third-Order Carmelite, Elizabeth Kindelmann (1913-1985), when she heard the voices of Jesus and Mary through interior locutions between the years 1961 and 1983. The result is this Spiritual Diary, written at the request of Our Lord Jesus, which has received the Imprimatur of the Church and gifted the world untold blessings for our critical times.Jesus said to Kindelmann, "My Mother is Noah's Ark," and Mary told her, "I assure you, my little one, that I have never before given into your hands such a powerful force of grace, the burning flame of the love of my heart. Ever since the Word became Flesh, I have not undertaken a greater movement than the Flame of Love of my heart who rushes to you. Until now, nothing could blind Satan as much. And it is up to you not to reject it, for this rejection would simply spell disaster."The Flame of Love movement is an official Church association of the faithful, enjoying the heartfelt approval of His Eminence Cardinal Péter Erdő, Primate of Hungary, Archbishop of Eszertom-Budapest, and the approval of various bishops in whose dioceses it flourishes, as well as a 2013 apostolic blessing from Pope Francis.God is seeking to build up a holy army of souls in order help us to fight the battle ahead that leads to sure victory for those firm in faith. In this remarkable Spiritual Diary, you follow the life and divine conversations of one of the greatest mystics of the 20th century, learn of the prayers and weekly prayer schedule that effectively blind Satan, and of the divine promises Our Lord wishes to give to us through the intercession of His Mother's Immaculate Heart. Online with the Saints offers a virtual encounter with hundreds of saints from all around the world. Women and men from all paths of life, linking their inspirational stories to real life modern questions and providing answers. This work, first published in 1980, breaks new ground as concerns caste in India. It first examines the nature of caste and its relation to Hinduism and questions in what sense it is possible to speak of Christianity as an egalitarian faith. It then considers some Hindu egalitarian movements and traces the development of ideas on caste among Christian missionaries, examining the relationship between these views and the Revolt of 1857. Close attention is given to changing attitudes on caste, both by missionaries and by Indian Christians, while the influence of nationalism on Christian attitudes to caste and other social questions is further examined. Finally, there is a review of the contemporary state of the question and of the specifically Christian contribution to modern views on caste.***

*"Read Me or Rue It." This title is somewhat startling. Yet, Dear Reader, if you peruse this little book, you will see for yourself how well deserved it is. The book tells us how to save ourselves and how to save others from untold suffering. Some books are good and may be read with profit. Others are better and should be read without fail. There are, however, books of such sterling worth by reason of the counsels they suggest, the conviction they carry with them, the urge to action they give us that it would be sheer folly not to read them. Read Me or Rue It belongs to this class. It is for your best interest, Dear Friend, to read it and reread it, to ponder well and deeply on its contents. You will never regret it; rather, great and poignant will be your regret if you fail to study its few but pregnant pages.*

The Glories of Mary

St. Alphonsus (1696–1787), an Italian Catholic bishop, spiritual writer, composer, musician, artist, poet, lawyer, scholastic philosopher, and theologian, was a man in love with Jesus. For Alphonsus, The Way of the Cross provided the opportunity to meditate on the true meaning of the love of the Most Holy Redeemer. With its poetic translation of the original, this revised version—long a parish favorite—offers insight into the mind of a saint and the emotion and passion that formed his devotion. A prolific writer, he published nine editions of his Moral Theology in his lifetime, in addition to other devotional and ascetic works and letters. St. Alphonsus Liguori's method is the most treasured way of praying to the stations ever to bless Christendom.

"The Encyclopedia of Saints offers thorough and fascinating accounts of familiar and little-known holy men and women of the Catholic and Orthodox churches. Drawing from documented accounts and supplemented with additional extensive research

In a time when technology penetrates our lives in so many ways and materialism exerts such a powerful influence over us, Cardinal Robert Sarah presents a bold book about the strength of silence. The modern world generates so much noise, he says, that seeking moments of silence has become both harder and more necessary than ever before. Silence is the indispensable doorway to the divine, explains the cardinal in this profound conversation with Nicolas Diat. Within the hushed and hallowed walls of the La Grande Chartreux, the famous Carthusian monastery in the French Alps, Cardinal Sarah addresses the following questions: Can those who do not know silence ever attain truth, beauty, or love? Do not wisdom, artistic vision, and devotion spring from silence, where the voice of God is heard in the depths of the human heart? After the international success of God or Nothing, Cardinal Sarah seeks to restore to silence its place of honor and importance. "Silence is more important than any other human work," he says, "for it expresses God. The true revolution comes from silence: it leads us toward God and others so as to place ourselves humbly and generously at their service."

*In this latest portrait of Edith Stein, she continues to carry divine life to the current generation, inviting readers to know and emulate her saving grace, her spirituality. Author Dianne Traflet explores its three pillars: the Eucharist, which enabled her to receive and extend God's love; the Blessed Mother, who taught her to obey the call to serve; and the cross, which gave her the courage to live Christ's example, suffering to save others,even to the point of death. The result is a biography that is both an inspiration and a spiritual journey.*

In 451 CE the Council of Chalcedon was called to assert the preeminence of orthodox Catholic doctrine against the heresy of men who refused what we now refer to as the Definition of Faith, or the belief in Jesus Christ as both man and divine spirit during his lifetime. This book is suitable for scholars studying this period.

A revised and improved translation of Pope Paul VI's encyclical letter, Humanae vitae.

"The Complete Edition."- This Diary was written by a humble woman named Elizabeth Kindelmann, who lived in Hungary from 1913 to 1985. The Diary does not only contain high spiritual reflections, but also a message of great importance, and even more, an initiative of grace by the Most Blessed Virgin, that may be summed up as follows: "Satan intensifies his efforts to ruin souls. His eternal opponent is the Most Blessed Virgin Mary. She obtained from the heavenly Father, by the merits of the Passion of her Most Holy Son, an outpouring of graces so great as have not existed since the Word became Flesh (the words of our Most Holy Mother). She will blind Satan with the Flame of light and grace which bursts forth from her Immaculate Heart." During the years going from 1961 to 1983, she received heavenly messages and she was directed to put those in writing. It started with an exceedingly "dark night." Following that harrowing event, the Lord Jesus and the Virgin Mary addressed her with internal locutions, words which she heard clearly in her soul. Virgin Mary: "You know how my heart is immensely in pain. Satan is sweeping souls away in a terrifying way. Why do you not all try your best to stop him and do it as soon as possible? I need your help. My heart is burning with sorrow because I see how many souls are being damned. Many are dragged away in spite of their good will. With a sarcastic smile, the Evil One extends his arms, and with terrible malice, he drags away those for whom my Divine Son suffered unspeakable torments and death. Please, help!" On June 6, 2009, a major event took place during the International Convention of the Flame of Love of the Immaculate Heart of Mary in Budapest, Hungary. The original Hungarian Spiritual Diary of Elizabeth Kindelmann received the Imprimatur number 494-4/2009 from Cardinal Peter Erdo, Archbishop of Esztergom-Budapest and Primate of Hungary."

"The Jesuit review of faith and culture," Nov. 13, 2017-

Abandoned as a toddler by her wild child mother, Adesua's questionable pale skin, head full of taboo dreadlocks, and indeterminate parentage stick out in the remote south eastern Nigerian village where she is raised by her fiercely devoted grandmother. When Adesua leaves home for boarding school, she is shunned by her peers for her appearance and forced to exist on the periphery, a place to which she becomes reluctantly accustomed. But when a tragedy occurs, Adesua is compelled to embark on a metamorphic journey spanning Lagos, New York, and Heaven in a desperate quest for somewhere to authentically belong.

Anyone deeply interested in converts seeks an exposition of the Catholic Faith which not only defines each article of the Creed and each doctrine of the Church, but which also gives an explanation and a reason for the doctrine, " writes Fulton J. Sheen in the Foreword to this classic of religious instruction. " Such an ideal is beautifully satisfied in a Catechism written by one of our zealous missionary Bishops, Most Reverend Louis L. R. Morrow, S.T.D., Bishop of Krishnagar. The presentation is such as to satisfy the mentality of both children and adults, and is even not beyond an excellent review for those who have studied both Dogmatic and Moral Theology. *The biographic text of St. Anthony is presented complete in this edition for the reader's absorption and contemplation. First published in the 4th century A.D., Anthony the Great's biography was authored by Christian Saint Athanasius of Alexandria. Since its release, the book has helped spread the beliefs, practices and arduous faith of Anthony the Great. A significant progenitor of the monastic*

tradition, Saint Anthony lived an ascetic lifestyle in the arid lands of Egypt. Although not the earliest of religious figures committed to this tradition, through actions and preaching Anthony helped popularise and spread principles that would contribute heavily to the establishment of Christian monasteries in Europe and beyond. One event in St. Anthony's life was his encounter with the supernatural in the remote Egyptian desert. This occurrence, where the otherworldly presence tried to tempt him from his spartan philosophy of living, is much recreated in Western art and literature.
