2020 Best Online Journalism Degrees - OnlineU

Online journalism unlike print journalism has an infinite number of pages, which mean space is not an issue. This therefore means that articles and stories can be lengthy in nature since there is no page limit. It is easier and cheaper to produce news online than it is to produce it on newspapers and magazines. There isn't much of a deadline to beat in online journalism when reporters are posting stories and articles. With online journalism, news is spread with lightning speed.
