Oral Tradition and Literary Dependency 978-3-16-157060-5 ...

Abstract. Despite the almost universal recognition that the Jesus tradition was, from its very beginning, oral tradition, scholars have continued to approach the question of Synoptic interrelationships from a strictly literary perspective. This study is an attempt to take seriously the Sitz im Leben within which the Synoptic Gospels were written, and to examine the possible role that oral tradition might

Oral Tradition and Literary Dependency: Variability and Stability in the Synoptic Tradition and Q (Wissenschaftliche Untersuchungen zum Neuen Testament / 2. Reihe Book 195) eBook: Mournet, Terence C.: Amazon.co.uk: Kindle Store

Oral Tradition and Literary Dependency: Variability and ...

Synoptic studies have been marked by an excessive bias towards exclusively literary models of Synoptic interrelationships. Despite the widespread recognition that oral tradition played a significant role in the formation of the gospel tradition, the gospels are often examined as literary works apart from their relationship to oral performance.

Oral Tradition and Literary Dependency: Variability and ...

In order to answer it M. integrates results of modern oral poetry research and identifies two aspects that all oral texts (despite their cultural, geographical and chronological diversity) have in common, namely redundancy (repetition of key words and phrases, paratactic sentence constructions, pleonasm, ring compositions etc.) and verbal variability (only the basic story outline is more or less fixed). Again, these research results from folklore studies and related disciplines provide very ...

Oral Tradition and Literary Dependency by Terence C. Mournet

Despite the widespread recognition that oral tradition played a significant role in the formation of the gospel tradition, the gospels are often examined as literary works apart from their relationship to oral performance. While not dismissing the use of written sources in the process of gospel composition, a study of the relationship in ...

Oral Tradition and Literary Dependency | Dodax.co.uk

Oral tradition, or oral lore, is a form of human communication wherein knowledge, art, ideas and cultural material is received, preserved, and transmitted orally from one generation to another. The transmission is through speech or song and may include folktales, ballads, chants, prose or verses. In this way, it is possible for a society to transmit oral history, oral literature, oral law and ...
