Blue Baby Memory Book had padded front cover, 64 full-color inside pages, with dimensions of 9 3/8 (W) x 10 1/2" (H) Pacaged in a gift box with acetate window.

A baby record book developed by parents and medical professionals together, Our Baby's First Seven Years is one of the most popular and enduring baby record books selling over 8,000,000 copies to families around the world. First published in 1928 by Mothers' Aid of the Chicago Lying-in Hospital, and now published by the Chicago Lying-in Hospital Board of Directors, this book represents the 8th edition and is now celebrating its 85th year. All proceeds from the sale of the book are donated to programs that benefit mothers and their babies. This newly revised book contains completely updated medical and developmental information written by physicians and faculty at the University of Chicago and educational information suggested by two Principals at The University of Chicago Laboratory Schools. The book has six sections: Preparing for Our Baby, Our Baby is Born, Our Baby's First Year, Our Child's Second Through Seventh Years, Our Child's Education, and Our Child's Medical Records. There is ample space for recording your child's pertinent information, everything from birth weight, family tree, parent information, dates of developmental milestones, schools attended, teachers, to doctors, immunizations, illnesses, and more - everything through a child's seventh birthday. Plus there is room for attaching photos, drawings, and other mementos of the child's first seven years. The book is 13" x 10" with a linen, easy-to-clean

hard cover enclosing 108 pages printed on acid free stock, and bound with posts that make it possible to add or remove pages within. The book is sold in a durable storage box with extra space in the bottom for keeping important papers, extra photos, drawings, report cards, whatever is desired. The box is shrink-wrapped for protection during storage and shipping.

Chart topping-and headline-making-rap artist Eminem shares his private reflections, drawings, handwritten lyrics, and photographs in his New York Times bestseller *The Way I Am*. Fiercely intelligent, relentlessly provocative, and prodigiously gifted, Eminem is known as much for his enigmatic persona as for being the fastest-selling rap artist and the first rapper to ever win an Oscar. Everyone wants to know what Eminem is really like-after the curtains go down. In *The Way I Am*, Eminem writes candidly, about how he sees the world. About family and friends; about hip-hop and rap battles and his searing rhymes; about the conflicts and challenges that have made him who he is today. Illustrated with more than 200 full-color and black-and-white photographs-including family snapshots and personal Polaroids, it is a visual self-portrait that spans the rapper's entire life and career, from his early childhood in Missouri to the basement home studio he records in today, from Detroit's famous Hip Hop Shop to sold-out arenas around the globe. Readers who have wondered at Em's intricate, eye-opening rhyme patterns can also see, first-hand, the way his mind works in dozens of reproductions of his original lyric sheets, written in pen, on hotel stationary, on whatever scrap of paper was at hand. These lyric sheets, published for the first time here, show uncut genius at work. Taking readers deep inside his creative process, Eminem reckons with the way that chaos and controversy have fueled his music and helped to give birth to some of his most famous songs (including "Stan," "Without Me," and "Lose Yourself"). Providing a personal tour of Eminem's creative process,

The Benefits and uses of a Baby Photo Album Your baby isn't going to be a baby for long. Capture all those precious moments and put them in a baby photo album as soon as you possibly can. What parent wants to forget that first toothy smile, that first bowl of rice cereal or that first step? Keep your camera handy for all those first moments, but don't let the pictures sit on your memory card forever. Print them out and put them in a photo album where you can flip through and remember at your leisure. We never imagine that we will forget what our baby looked like at different stages of development, but the truth is, it happens. Jog your memory and preserve your pictures forever by using a baby photo album.

From the first scan, through your baby's first steps, record every

excitement of the events before their baby's birth and the special milestones in baby's life right up to the first birthday.

The first year of a child's life is a highly significant one. Here are three reasons to record as much as possible. 1. The parent will always be able to remember the first year for years to come. They will want to remember as much as they possibly can. The child will be able to remember and appreciate their childhood when they are older. 3. Grandchildren will have the pleasure of enjoying early photos of their parents.

This sweet-as-can-be baby book offers dozens of creative ways to capture the milestones and special memories from pregnancy through baby's first year: an envelope for ultrasound scans, a spin-wheel to display baby's astrological sign, a gatefold family tree, space for photos, mini envelopes to stash written notes, illustrated pop-ups, a pull-out growth chart to display in baby's room, and more. Packaged in a compact album with a fabric spine and foil-stamped cover, with whimsical color illustrations and thoughtful prompts throughout, this book is the ultimate keepsake for new parents.

Every memory with your baby is precious, and every baby deserves a beautiful place to be cherished forever. *I Love You Still: A Memorial Baby Book* was carefully created to hold memories and love for babies taken too soon due to miscarriage, stillbirth, or in their first days of life. Each word and image of this sweet baby book was carefully chosen to be as inclusive as possible for all babies and gestational ages. Professional illustrations by award-winning children's book illustrator Priscilla Alpaugh feature a gender-neutral, nursery animal theme, and the book's secular content allows room for mom to include her own unique spiritual beliefs. *I Love You Still* combines aspects of traditional baby books with areas for memorialization, with lots of additional journaling space for grieving moms to complete whenever it feels right for them. The book's quality is meant to last, and its content can be revisited for months or years to come. * A beautiful baby memory book, memorial keepsake, and bereavement journal specifically created for the events and emotions that follow miscarriage, stillbirth, or newborn loss * Over 50 full-color professional illustrations featuring a gender-neutral nursery animal theme. Words and images are and carefully designed to be as inclusive as possible for all babies and gestational ages. * Substantial 8 x 10.5 padded hardcover book with Smyth sewn, lay-flat binding. The cover features a soft matte finish with spot UV treatment for subtle shine on the imagery and title. * 64-pages, including

traditional baby book sections, prompted journaling, freeform journal space and scrapbook. Example sections include: parents' backgrounds, trying to conceive, pregnancy test reactions, monthly pregnancy milestones, baby's due date, favorite memories and time spent together, memorial gestures, holding the space, scrapbooking, resources, and more. The mission of I Love You Still: A Memorial Baby Book is to cherish pregnancy, remember baby, and honor motherhood. Born and raised in Wayzata, Minnesota, Margaret Scofield attended the University of Arizona where she earned her BA in English with a minor in Family Studies and Human Development. In 2016, while taking time off from her career to start a family, Margaret's dear friend lost her daughter to miscarriage. As a new mom herself, Margaret wanted to do more to help. After she tried in vain to find a baby book that catered to the 1 in 4 women who endure miscarriage, Margaret's purpose became clear. In 2016, Margaret started a business and created the manuscript for I Love You Still: A Memorial Baby Book. Since then, the book has been circulated to over 20 countries, and her story has appeared on news outlets such as NBC News, The TODAY Show, People Magazine, FOX Television, and MSN News. Today, Margaret continues her mission to cherish pregnancy, remember baby, and honor motherhood by encouraging real conversation about pregnancy and baby loss, and postpartum mental health.
