***Past life regression is a method that uses hypnosis to recover what practitioners believe are memories of past lives or incarnations. The practice is widely considered discredited and unscientific by medical practitioners, and experts generally regard claims of recovered memories of past lives as fantasies or delusions or a type of confabulation. Past-life regression is typically undertaken either in pursuit of a spiritual experience, or in a psychotherapeutic setting. Most advocates loosely adh***

***Past Life Regression – Carol Bowman, Past Life Therapy***

***Through past-life regression, Dr. Brian Weiss says it's possible to heal—and grow—your mind, body and soul, as well as strengthen your present-day relationships. He says one of the most common signs of a past life is déjà vu—the sensation that you have met a person before or have visited someplace previously. Sometimes, this déjà vu feeling is a sign of a past life with a particular person or in a specific place.***
