Pentax Binoculars Papilio II 8.5x21 - Binoculars 8.5x21 Version . Because it makes things look 8.5 times as close, the 8.5x21 version of the Papilio is the best of possible worlds for a birdwatcher. You can watch a bluebird on approach to its nest in the birdhouse, and then swing your Papilio down to get a good look at a butterfly right next to you on a bush. Most birders prefer at least 8 power for watching birds.
