*Peter Ferdinand Drucker was an Austrian-
born American management consultant,
educator, and author, whose writings
contributed to the philosophical and
practical foundations of the modern
business corporation. He was also a leader
in the development of management
education, he invented the concept known
as management by objectives and self-
control, and he has been described as "the
founder of modern management". Drucker's
books and scholarly and popular articles
explored how humans are organized*

Peter Drucker - Wikipedia
