4 The third theme, therefore, by which Beattie establishes London ’ s unique role in early modern criminal policy, is how the search of a workable and successful intermediate punishment between the severity of hanging and the supposed leniency of branding was shaped by London ’ s problems and their representation to the political world. Transportation emerged in the 1660s as the favored penalty, but it was not without its problems.

[J.M. Beattie, Policing and Punishment in London, 1660-1750 ...](#)

This pioneering study examines the considerable changes that took place in the criminal justice system in the century after the Restoration. The author reveals how and why an alternative means of dealing with crime emerged in the policing of London, in the practices and procedures of prosecution, and in the establishment of new forms of punishment.

Synopsis. This study examines the considerable changes that took place in the criminal justice system in the City of London in the century after the Restoration, well before the inauguration of the so-called 'age of reform'. The policing institutions of the City were transformed in response to the problems created by the rapid expansion of the metropolis during the early modern period, and as a consequence of the emergence of a polite urban culture.

London's Museums of Crime, Policing & Punishment. It is fitting that the city famous for Sherlock Holmes, Jack the Ripper and the world's first organised police force has a number of museums dealing with crime, policing and the darker side of London life. Please note: Scotland Yard's infamous ' Black Museum ' (or Crime Museum, to give it its correct name) is not open to the public, although this may change in the future.

In the eighteenth century, innovations in policing and punishment often clustered at the ends of wars, when crime rates rose again. In the war years of the early eighteenth century, by contrast, important innovations were associated with low levels of prosecution--perhaps because this very drop was thought to demonstrate the effectiveness of certain measures it was therefore deemed wise to extend.
