professional corporate communication. The key market for this book is the Asia-Pacific region, mainly because there is a gap in know-how in corporate communication among many industry sectors. In addition, at present, one cannot find a lot of educational literature about corporate communication in the

Access Free
Practical Myanmar

*market. Therefore, this
guidebook closes that
gap. In Asia, companies
are starting to realize
the importance of
corporate
communication in all
areas (external and
internal corporate
communication, crisis
communication
(Example: TEPCO) and
political communication
/ government relations /*

the literature
For Travellers And
Residents
on Myanmar and
its borders by

drawing
attention to the
significance of
geography,
history,
politics and
society in the
construction of
the border
regions and the
country. First,

Access Free Practical Myanmar A Communication For Travellers And Residents

it alerts us to the fact that the border regions are situated in the mountainous and maritime domains of the country, highlighting the commonalities that arise from shared geography.

Second, the book

Access Free
Practical Myanmar
A Communication
For Travellers And
Residents

foregrounds socio-spatial practices – economic, intimate, spiritual, virtual – of border and boundary-making in their local context. This demonstrates how state-defined notions of

Access Free Practical Myanmar A Communication
