RADIONICS

~~*Kindle File Format Radionics Science Or Magic By David V ...*~~

Radionics is a methodology for the detection and manipulation of subtle energies linked to physical matter: animal, vegetable or mineral. It is generally known as a system of vibrational healing wherein curiously configured "black boxes" are used to detect and treat disease conditions of a living body, be it animal or vegetable, anywhere in the universe.

The Psychic Universe

~~*Radionics Science of The Future*~~

True radionics is the science of connecting to the Life force through form and structure. It is rather hard to define it in one or two sentences, so a brief history of modern radionics will give one some insight into its workings. The origin of radionics is found in the ancient art of radiesthesia, or dowsing.

...

The premise of radionics is closely allied with spiritualist pursuits of clairvoyance and telekenesis. Its practitioner seeks to gain knowledge and selectively predispose objects or events through extra-physical channels. The point of departure is appropriation of electronic constructs to augment solitary mind power.
