Reclaiming The Imagination -  
st.okta01.lookingglasscyber.com

If imagination is, as John Dewey defined it, "the ability to see things as if they could be otherwise", and given that we need to see, as the Intergovernmental Panel on Climate Change put it, "rapid, far-reaching and unprecedented changes in all aspects of society", then nurturing the capacity, across a population, to have the most resilient and dynamic

# Read Book Reclaiming The Imagination

imagination possible is vital.

Introducing the Imagination Sundial – Rob Hopkins

The element of storytelling on which the study of history depends has been ignored in favor of a spurious neutrality of factual narrative, deadly to read and deadlier to the imagination. New textbooks will be called for, and old textbooks and storybooks reclaimed, that draw students into history with the same power of imagination that the secular world uses to draw them away from their past and their Church.
