*Who cut off Medusa's head? Who was raised by a she-bear? Who tamed Pegasus? It takes a demigod to know, and Percy Jackson can fill you in on the all the daring deeds of Perseus, Atalanta, Bellerophon, and the rest of the major Greek heroes. Told in the funny, irreverent style readers have come to expect from Percy, ( I've had some bad experiences in my time, but the heroes I'm going to tell you about were the original old school hard luck cases. They boldly screwed up where no one had screwed up before. . . ) and enhanced with vibrant artwork by Caldecott Honoree John Rocco, this story collection will become the new must-have classic for Rick Riordan's legions of devoted fans--and for anyone who needs a hero. So get your flaming spear. Put on your lion skin cape. Polish your shield and make sure you've got arrows in your quiver. Then, for dessert, we'll die painful tragic deaths. Ready? Sweet. Let's do this.*

*The Blood of Olympus is the fifth book in the bestselling Heroes of Olympus series - set in the high-octane world of Percy Jackson. Though the Greek and Roman crew members of the Argo II have made progress in their many quests, they still seem no closer to defeating the earth mother, Gaea. Her giants have risen - all of them - and they're stronger than ever. They must be stopped before the Feast of Spes, when Gaea plans to have two demigods sacrificed in Athens. She needs their blood -the blood of Olympus - in order to wake.*

*The demigods are having more frequent visions of a terrible battle at Camp Half-Blood. The Roman legion from Camp Jupiter, led by Octavian, is almost within striking distance. Though it is tempting to take the Athena Parthenos to Athens to use as a secret weapon, the friends know that the huge statue belongs back on Long Island, where it might be able to stop a war between the two camps. The Athena Parthenos will go west; the Argo II will go east. The gods, still suffering from multiple personality disorder, are useless. How can a handful of young demigods hope to persevere against Gaea's army of powerful giants? As dangerous as it is to head to Athens, they have no other option. They have sacrificed too much already. And if Gaea wakes, it is game over... **Daughter of the DeepPenguin UK**

**Zeus has punished his son Apollo--god of the sun, music, archery, poetry, and more--by casting him down to earth in the form of a gawky, acne-covered sixteen-year-old mortal named Lester. The only way Apollo can reclaim his rightful place on Mount Olympus is by restoring several Oracles that have gone dark. What is affecting the Oracles, and how can Apollo/Lester do anything about them without his powers? After experiencing a series of dangerous--and frankly, humiliating--trials at Camp Half-Blood, Lester must now leave the relative safety of the demigod training ground and embark on a hair-raising journey across North America. Somewhere in the American Midwest, he and his companions must find the most dangerous Oracle from ancient times: a haunted cave that may hold answers for Apollo in his quest to become a god again--if it doesn't kill him or drive him insane first. Standing in Apollo's way is the second member of the evil Triumvirate, a Roman emperor whose love of bloodshed and spectacle makes even Nero look tame. To survive the encounter, Apollo will need the help of son of Hephaestus Leo Valdez, the now-mortal sorceress Calypso, the bronze dragon Festus, and other unexpected allies--some familiar, some new--from the world of demigods. Come along for what promises to be a harrowing, hilarious, and haiku-filled ride. . . .**

**Join Percy Jackson, Annabeth Chase and Carter and Sadie Kane as they do battle with an ancient Egyptian magician determined to become a god. Against impossible odds, the four demigods and magicians team up to prevent the apocalypse. Rick Riordan's Norse hero faces his greatest challenge yet in the final instalment of the series. Loki the trickster god is free from his chains. Now he's readying Naglfar, the Ship of the Dead, armed with a host of giants and zombies, to sail against the Norse gods and begin the final battle of Ragnarok. It's up to Magnus Chase and his friends to stop Loki's plans, but to do so they will have to sail across the oceans of Midgard, Jotunheim and Niflheim in a desperate race to reach Naglfar before it's ready to sail on Midsummer's Day. Along the way, they will face angry sea gods, hostile giants, and an evil fire-breathing dragon who happens to be a former acquaintance. But Magnus's biggest challenge will be facing his own inner demons. To defeat Loki, Magnus will need to use words, not force. This will require finding a magical elixir so deadly that it will either make Magnus Chase powerful enough to out-talk the silver-tongued Loki, or destroy Magnus utterly.

When his father was murdered in San Antonio ten years ago, Jackson 'Tres' Navarre left town, never to look back. Until now, that is. Accompanied by his enchilada-eating cat Robert Johnson, tough, no nonsense Tres returns to the city looking for answers and a girl he just couldn't leave behind. But when she turns out to be missing, Tres goes on the hunt as an unlicensed private investigator to solve both cases, stirring up a Texan hornets' nest of corruption. And the mob will do anything to silence him. Slick and spicy with Texan spirit, Big Red Tequila is the first book in the multiple-award-winning suspense series by the internationally bestselling author of the Percy Jackson novels.

From the #1 New York Times bestselling author of the Percy Jackson and the Olympians series For Tres Navarre, English professor turned private investigator, business has lately taken a drastic turn south. But if chasing down bail jumpers, adulterous spouses, and workmen's comp cases seemed like the dregs of the PI game, it was at least a living. Not as much could be said for tracking down a man like Will "the Ghost" Stirman. The stone-cold killer has just staged a bloody escape from the Floresville State Penitentiary with a gang of violent cons as spooked by Stirman as those on the outside who helped put him behind bars. And no one seems more worried than Navarre's boss and mentor, Erainya Manos. It was her husband along with rival PI Sam Barrera who built the case that sent Stirman away. But Erainya's husband is dead and she's certain Stirman won't let that stand in the way of his taking revenge against her and her adopted son. All of Navarre's instincts are screaming that there's more to this case than meets the eye. But Erainya won't tell him—and Sam Barrera seems to be escaping into a strange twilight from a truth too terrible to remember. That leaves Tres to dig into a twisted mystery of greed, vigilantism, and murder, where lives are bought and sold and the line between guilt and innocence is razor-thin. Meanwhile, Stirman and his gang are coming, leaving behind them a trail of brutal, unforgiving violence that will end in an area of San Antonio known as Southtown—but that may soon just as well be called hell on earth. Don't miss any of these hotter-than-Texas-chili Tres Navarre novels: BIG RED TEQUILA • THE WIDOWER'S TWO-STEP • THE LAST KING OF TEXAS • THE DEVIL WENT DOWN TO AUSTIN • SOUTHTOWN • MISSION ROAD • REBEL ISLAND

Chapters: List of characters in the Camp Half-Blood series, The Demigod Diaries, The Heroes of Olympus, The Lost Hero, The Son of Neptune. Excerpt: This is a list of characters in the Percy Jackson & the Olympians series and in the Heroes of Olympus series. Perseus "Percy" Jackson (nicknamed Seaweed Brain by Annabeth) is a 12- 16 year-old demigod, the son of Sally Jackson and Poseidon. Percy is the protagonist and narrator of the Percy Jackson and the Olympians series. As a child of one of the "Big Three" Greek gods (Zeus, Hades, and Poseidon), Percy fulfills a major prophecy of the Oracle, which foretold that the next half-blood child of the Big Three to reach the age of sixteen would have to make a decision that would mean the destruction or preservation of Olympus. As a child of Poseidon, he has hydrokinetic powers-the ability to mentally manipulate water and can breath under water]-which develop over the course of the series, culminating in the ability to create a small hurricane in The Son of Neptune. Additionally, full or partial immersion in water can heal or energize him, he is immune to water pressure, and he can see and breathe underwater at any depth. Due to Poseidon's creation of horses, Percy can also communicate with equestrian animals such as Pegasi and Hippocampi. He also has an enchanted sword called Anaklusmos (Greek for "Riptide") given to him by Chiron as a gift from Poseidon. The sword's magic disguises it as a ballpoint pen when not in use and returns it to Percy's pocket if it becomes lost. The main plots of the five books of the Percy Jackson and the Olympians series focus on a series of quests Percy participates in along with his friends. In The Lightning Thief, he seeks Zeus's stolen master thunderbolt. In The Sea of Monsters, he seeks the Golden Fleece. In The Titan's Curse, he seeks the goddess...

Turns out Sik is immortal but doesn't know it, and that's about to get him and the entire city into deep, deep trouble. Sik's not in this alone. To succeed, they'll have to conquer sly demons, treacherous gods, and their own darkest nightmares.
