

Sin Undone

Forbidden Temptations. Fatal Desires. Serena Kelley is an archaeologist and treasure hunter - and a woman with a secret. Since she was seven, she's been a keeper of a powerful charm that grants her health and immortality . . . as long as she stays a virgin. But Serena isn't all that innocent. And when a dangerously handsome stranger brings her to the brink of ecstasy, she wonders if she's finally met the one man she cannot resist. Wraith is a Seminus demon with a death wish. But when an old enemy poisons him, he must find Serena and persuade her to give him the only known antidote in the universe - her charm. Yet, as she begins to surrender to his seductions and Wraith senses the cure is within his grasp, he realises a horrible truth: he's falling for the woman whose life he must take in order to save his own. From God's mouth to the hearts of His people - this is the function of the Bible and is the reason it is called The Word of God. "The Bible applied to the heart by the Holy Spirit is the chief means by which men are built up and established in the faith, after their conversion. It is able to cleanse them, sanctify them, to instruct them in righteousness, and to furnish them thoroughly for all good works (2 Timothy 3:16, 17) J.C. Ryle. After many years of anger against God, the Lord wonderfully restored the author to Himself and laid the burden of this ministry on his heart. Every week since April 2000 TFTWs (Thoughts From The Word) have been sent via the internet to God's people throughout the world. Many similar thoughts may be found at www.onhisshoulders.com. The Bible "can show you the way which leads to heaven. It can teach you everything you need to know, point out

everything you need to believe, and explain everything you need to do. It can show you what you are - a sinner. It can show you what God is - perfectly holy. It can show you the great river of pardon, peace, and grace - Jesus Christ" J.C. Ryle, 1816-1900, Bishop of Liverpool, whose picture is on the front cover. The thoughts contained in this volume are published with the sincere prayer that God will use them to refresh and encourage the souls of His people. Her touch is deadly. His hunger can't be denied. As the only female Seminus demon ever born, master assassin Sinead Donnelly is used to being treated like an outcast. She spent decades enslaved and now vows she'll die before she'll relinquish her freedom again. Then Sin's innate ability to kill her enemies goes awry: She creates a lethal new werewolf virus that sparks a firestorm of panic and violence. Half-werewolf, half-vampire Conall Dearthul is charged with bringing in Sin to face punishment for the plague. And she's no stranger: He's bound to her by blood and the one sexual encounter they shared has left him hungering for her raw sensuality. Worse, Sin is the underworld's most wanted and Con soon learns he's the only one who can help her . . . and that saving her life might mean sacrificing his own.

Lore is a Seminus half-breed demon who has been forced to act as his master's assassin. Now to earn his freedom and save his sister's life, he must complete one last kill. Powerful and ruthless, he'll stop at nothing to carry out this deadly mission. Idess is an earthbound angel with a wild side sworn to protect the human Lore is targeting. She's determined to thwart her wickedly handsome adversary by any means necessary - even if that means risking her vow of eternal chastity. But what begins as a simple seduction soon turns into a passion that leaves both angel and demon craving complete surrender. Torn between duty and desire, Lore and Idess must join forces as they battle their attraction for each other. Because an enemy from the past is rising again - one hell-bent on vengeance and unthinkable destruction.

The Little gleaner

In this book, beloved speaker Fr. Mike Schmitz unfolds the mystery of brokenness. He reminds us that we have been fought for by a God who wants us as we are, not as we should be or hope to be.

The Lord's will for us is to find our identity in him and to thrive, living the life he has given us.

This work contains twenty ancient holy books, many of which were rejected from the Old Testament. Some of these books were later

preserved by the early Christian Church as Apocryphal writings, often inserted in Bibles between the Old and New Testaments. They were originally recognized by the Jews as Pseudepigrapha because they were attributed to writers that were long since passed, in an effort to give them sanctity. It is these that are reproduced in this volume. Some of the titles include The First and Second Books of Adam and Eve, The Secrets of Enoch, The Psalms of Solomon, The Odes of Solomon, The Story of Ahikar, and The Testaments of the Twelve Patriarchs. More and more interest is being paid to excluded texts, and this collection falls into that category, having added another interesting dimension to lost Biblical texts.

A Seminus Demon with a love-curse that threatens him with eternal torment, Shade hoped he'd seen the last of Runa and her irresistible charm.
