

Small Knight And George And The Royal Chocolate Cake

This old dragon is very hungry! And he's not going to stop until he's gulped down almost the entire kingdom, knight's armour and all. But is there any way of escape from a lazy dragon's gut? Perhaps a good belch will help... Penny Parker Klostermann's adventurous play on the classic nursery rhyme, *There Was An Old Lady Who Swallowed A Fly*, is brought to life through Ben Mantle's vivid illustrations. This silly tale is perfect for reading aloud, with rollicking rhymes that will have both children and parents giggling.

"Sir Knight of the Splendid Way" by William Edward Cule. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten – or yet undiscovered gems – of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

A SUNDAY TIMES DESIGN BOOK OF THE YEAR

The definitive guide for harnessing the power of colour to improve your happiness, wellbeing and confidence. Wouldn't you like to boost your confidence simply by slipping on 'that yellow jumper'? Or when you get home after a stressful day, be instantly soothed by the restful green of your walls? The colours all around us hold an emotional energy. Applied Colour Psychology specialist, Karen Haller, explains the inherent power of colour; for example, looking closely at the colours we love or those we dislike can bring up deeply buried memories and with them powerful feelings. A revolutionary guide to boosting your wellbeing, *The Little Book of Colour* puts you firmly in the driver's seat and on the road to changing the colours in your world to revamp your mood and motivation. Illuminating the science, psychology and emotional significance of colour, with key assessments for finding your own true colour compatibility, this book will help you to rediscover meaning in everything you do through the joy of colour. Get ready to join the colour revolution, and change your life for the better.

The creators of the Caldecott Medal book, *Saint George and the Dragon*, tell the Arthurian tale of Sir Gareth of Orkney's first adventure. The Knights of the Round Table were in their glory. When an unknown stranger visits the castle and asks King Arthur's favor, he is allowed to serve in the kitchen for his meat and bread. Little does anyone suspect that he is of noble blood and will soon be knighted by the famous Sir Lancelot. Lush illustrations bring the reader into the book, as Sir Gareth meets adventures and battles to free a princess from the fearsome Red Knight of the Plain. Based on an excerpt from Sir Thomas Malory's *Le Morte D'Arthur* and in consultation with both the famous Caxton and Winchester texts, this enduring story of gallant knights in armor, epic battles, and quests fulfilled has broad appeal for young adventurers.

A Tale of King Arthur

The Book of Lost Things

In this unique devotional George R. Knight reintroduces us to our spiritual ancestors. They weren't perfect. They weren't all easy to get along with. But they shared one common goal: telling others about the soon-coming Savior. But as in any family, it's all too easy to forget where we've come from; to forget the struggles endured by those who have gone before us; to take for granted the inheritance they left to us. Sometimes we need a gentle reminder of the true value of their legacy. In shaping the future of Adventism, these intrepid pioneers molded not only our history, but our present. And as we reflect upon our past, perhaps we should also contemplate the future to which we are each contributors.

When a kind young boy helps a strange-looking bird, a beautiful friendship forms. But what these two friends don't realize is that one is a young knight--and the other a young dragon. What will they do when they discover they are enemies and destined to fight?

Through no fault of his own, the once human Jim Eckert had become a dragon. Unfortunately, his beloved Angie had remained human. But in this magical land anything could happen. To make matters worse, Angie had been taken prisoner by an evil dragon and was held captive in the impenetrable Loathly Tower. So in this land where humans were edible and beasts were magical--where spells worked and logic didn't--Jim Eckert had a big, strange problem.

Eleven-year-old Alanna, who aspires to be a knight even though she is a girl, disguises herself as a boy to become a royal page, learning many hard lessons along her path to high adventure.

Age Level: 4 to 8 | Grade Level: K to 4 What's a knight's greatest power? Stories, of course! From the beloved author/illustrator team behind *The Snatchabook* comes the ultimate storytime book about castles, knights, dragons, and the power of stories! Even dragons love a good story... Leo was a gentle knight in thought and word and deed. While other knights liked fighting, Leo liked to sit and read... When Leo's mom and dad pack him off to fight a dragon, he takes a shield, a sword--and a pile of his favorite books. But can a story be as mighty as a sword? This delightful rhyming story about books and the joy of reading is also perfect for kids who love dragon

books, adventures, brave knights, and books about castles! An Autumn 2016 Kids Indie Next Pick A 2017-2018 SSYRA Jr. List Title Praise for The Snatchabook: #1 Indie Next Pick "I dare you to try to read The Snatch-a-book silently to yourself. You can't do it. The book is so wonderful it demands to be read out loud. And besides, if you didn't read the book out loud, how would the Snatch-a-book hear it?"--Caldecott Medalist Brian Selznick "This ever-so-sweet story begs to be read out loud."--Booklist "The gorgeous illustrations are a perfect match for the lively text. This book is a fabulous fit for both storytime and one-on-one reading. Children will be begging for this book to be read to them every night-clever ones will claim they want to keep the Snatchabook happy."--School Library Journal "The husband-and-wife team of the Dochertys have a winner in this heartwarming tribute to the essential role of bedtime reading in the lives of families."--Publishers Weekly "The story is sweet and the illustrations darling."--Kirkus "This whodunit with an uplifting ending will appeal to fans of How the Grinch Stole Christmas! . . . [it] celebrates bedtime reading as a ritual to be revered, and features a thief who merely wants to share in the fun."--Shelf Awareness Pro

WINNER OF THE 2014 FOLIO PRIZE AND SHORTLISTED FOR THE NATIONAL BOOK AWARD 2013 George Saunders's most wryly hilarious and disturbing collection yet, Tenth of December illuminates human experience and explores figures lost in a labyrinth of troubling preoccupations. A family member recollects a backyard pole dressed for all occasions; Jeff faces horrifying ultimatums and the prospect of Darkenfloxx™ in some unusual drug trials; and Al Roosten hides his own internal monologue behind a winning smile that he hopes will make him popular. With dark visions of the future riffing against ghosts of the past and the ever-settling present, this collection sings with astonishing charm and intensity. Unlike some pigs, Perky does not like to be dirty! Of course, not all the pigs at 126 Mud Avenue agree with him. The little girl who lives on the farm, Sandy, doesn't either. With everyone doubting his advice, Perky overcomes their doubt in him and finds the courage to tell them, "Stay clean and stay healthy, so that all of us can grow up healthy and be able to enjoy the good things that life has to offer."

In this brand-new original Sabuda story, two characters - a Dragon and a Knight - race through a book of Fairy Tales... each spread shows a different classic story, from Snow White to Cinderella, Rapunzel to Little Red Riding Hood and Aladdin. With characters who literally pop right off the page, this tour de force will have readers young and old racing through the book to see just how this chase will end!

The Beginners series provides a great introduction for young children to a whole range of subjects and is now being refreshed with bright, modern and appealing covers. Engaging, easy-to-read text specially written with the help of a reading expert is enhanced with stunning photography, illustrations and step-by-step diagrams and includes a glossary of useful words and a selection of related websites accessible via the Usborne Quicklinks site.

This hilarious, Monty Python – style sendup of the classic knight-and-dragon story comes with jaunty rhymes and a fabulous twist ending. Mischievous! Mishaps! Dragons! Here's the story of an intrepid knight, only our narrator can't quite remember the details. Did that knight carry a sandwich, or a sword? Was he supposed to fight a cat, or a dragon? A hilarious and unpredictable adventure ensues, building through laugh-out-loud rhymes until, at last, the narrator remembers his own role at the center of all the marvelous madness. Fans of Jon Scieszka's *The Stinky Cheese Man*, David Ezra Stein's *Interrupting Chicken*, all of Patrick McDonnell's and Mac Barnett's picture books will love this zany read-aloud adventure.

Was Ellen White as inflexible as some of her followers? Are the sacred and the secular two realms or one? How is ignorance related to godliness? Just how evil (or good) are human beings? Are big schools more effective than small ones? Was Ellen White really 100 years ahead on her time? George R. Knight examines these and many other provocative questions in this insightful book. Book jacket.

What happens when a sheepish knight and a not-so-fierce dragon fight for the very first time? Well, it's no ordinary battle since the knight has to go to the castle library to learn about dragon-fighting and the dragon must dig through his ancestor's things to find out how to fight a knight! "Spontaneity of line and feeling are backed by zesty colors and a jovial, tongue-in-cheek tone to which children can relate—a top springtime choice." —Booklist "There's a swirl of good-humored life to the book." —The New York Times Book Review

Shoe Dog

How to Use the Psychology of Colour to Transform your Life

The First Adventure

The Dragon and the George

The Epic Story of iSandlwana and Rorke's Drift

America needs better options for resolving potential crises In recent years, the Pentagon has elevated its concerns about Russia and China as potential military threats to the United

States and its allies. But what issues could provoke actual conflict between the United States and either country? And how could such a conflict be contained before it took the world to the brink of thermonuclear catastrophe, as was feared during the cold war? Defense expert Michael O'Hanlon wrestles with these questions in this insightful book, setting them within the broader context of hegemonic change and today's version of great-power competition. The book examines how a local crisis could escalate into a broader and much more dangerous threat to peace. What if, for example, Russia's "little green men" seized control of a community, like Narva or an even smaller town in Estonia, now a NATO ally? Or, what if China seized one of the uninhabited Senkaku islands now claimed and administered by Japan, or imposed a partial blockade of Taiwan? Such threats are not necessarily imminent, but they are far from inconceivable. Washington could be forced to choose, in these and similar cases, between risking major war to reverse the aggression, and appeasing China or Russia in ways that could jeopardize the broader global order. O'Hanlon argues that the United States needs a better range of options for dealing with such risks to peace. He advocates "integrated deterrence," which combines military elements with economic warfare. The military components would feature strengthened forward defenses as well as, possibly, limited military options against Russian or Chinese assets in other theaters. Economic warfare would include offensive elements, notably sanctions, as well as measures to ensure the resilience of the United States and allies against possible enemy reprisal. The goal is to deter war through a credible set of responses that are more commensurate than existing policy with the stakes involved in such scenarios.

Sir Laughalot is a very brave knight. He needs to find some foes to fight. He has his shield. He has his sword. But Laughalot is feeling bored. What can he do? Where can he go? Let's find Sir Laughalot a foe... Sir Laughalot is a knight who isn't afraid of a challenge. He's quite prepared to go out into the world to face any fearsome opponent. However, Sir Laughalot has a very different, yet effective way of dealing with his foes, and one that isn't strictly in keeping with his 'tough knight in armour' look... A hugely exciting, hilarious tale of a brave knight, an enormous dragon and a damsel in distress makes this an absolute gem of a picture book. The thread of fun running throughout Sir Laughalot is incredibly infectious - reading this story will make you feel instantly more cheery.

An enchanting tale of courage and sacrifice for young readers and adults by the wildly popular George R.R. Martin, author of *A Song of Ice and Fire*, the series that inspired HBO's Emmy Award-

winning GAME OF THRONES. Lavish illustrations by acclaimed artist Luis Royo enrich this captivating and heartwarming story of a young girl and her dragon.

Robert sat huddled out of view, watching out across the dessert wasteland under a burning sun, alone save for the company of his horse. His orders were to wait for a messenger he would not know, but on arrival, he was told that the information being carried was vital to the army's existence in the Levant. Though he had no way of knowing, his future was to be driven and tormented by this messenger's directing of events, being drawn through conspiracy after conspiracy. He has sworn to kill her for the abomination she has woven around him, but when events take a different turn, he joins forces with her and sets out on what is to become a strange partnership that has an uncontrolled outcome.

'A refreshingly honest reminder of what the path to business success really looks like ... It's an amazing tale' Bill Gates *'The best book I read last year was Shoe Dog, by Nike's Phil Knight. Phil is a very wise, intelligent and competitive fellow who is also a gifted storyteller'* Warren Buffett In 1962, fresh out of business school, Phil Knight borrowed \$50 from his father and created a company with a simple mission: import high-quality, low-cost athletic shoes from Japan. Selling the shoes from the boot of his Plymouth, Knight grossed \$8000 in his first year. Today, Nike's annual sales top \$30 billion. In an age of start-ups, Nike is the ne plus ultra of all start-ups, and the swoosh has become a revolutionary, globe-spanning icon, one of the most ubiquitous and recognisable symbols in the world today. But Knight, the man behind the swoosh, has always remained a mystery. Now, for the first time, he tells his story. Candid, humble, wry and gutsy, he begins with his crossroads moment when at 24 he decided to start his own business. He details the many risks and daunting setbacks that stood between him and his dream - along with his early triumphs. Above all, he recalls how his first band of partners and employees soon became a tight-knit band of brothers.

Together, harnessing the transcendent power of a shared mission, and a deep belief in the spirit of sport, they built a brand that changed everything. A memoir rich with insight, humour and hard-won wisdom, this book is also studded with lessons - about building something from scratch, overcoming adversity, and ultimately leaving your mark on the world.

Explore Muffin's world and meet his two adorable friends, Flora and Fizz. With stories that children will understand along with colourful, appealing artwork, Muffin is set to become a firm favourite among pre-schoolers. Today is a special day in Muffin's world - it's Flora and Fizz's birthday and they're going to have a party. Join Muffin as he sets off for the party and gives his friends a very special birthday surprise.

Myths in Adventism

Retells the segment from Spenser's The Faerie Queene, in which George,

the Red Cross Knight, slays the dreadful dragon that has been terrorizing the countryside for years and brings peace and joy to the land. A Caldecott Medal winner. Reissue.

Return to the Five Hundred Kingdoms, where a damsel can rescue herself, thank you... Princess Andromeda knows that any problem can be solved with a bit of research. So when a dragon storms the kingdom of Acadia, she decides it's time to hit the books. Despite all her research, the only acceptable answer she can find is sacrificing a fair maiden—for Acadia is governed by "Tradition," a rule that cannot so easily be sundered. Then she is picked as the sacrifice and must take matters into her own hands. With the help of her champion, Sir George, Andromeda sets out in search of the dragon's lair, wanting nothing more than to change her fate. But to do so will take the strongest of wills, knowledge, quick wits and a refusal to give up, no matter what happens along the way... Previously Published. Read the Tale of Five Hundred Kingdoms Series by Mercedes Lackey: Book 1: The Fairy Godmother Book 2: One Good Knight Book 3: Fortune's Fool Book 4: The Snow Queen Book 5: The Sleeping Beauty Book 6: Beauty and the Werewolf

Duty or glory: which will she choose? The adventure continues in the final instalment of the New York Times bestselling series from the fantasy author who is a legend herself: TAMORA PIERCE. A powerful classic that is more timely than ever, the Protector of the Small series is about smashing the ceilings others place above you.

A brave mouse, a covetous rat, a wishful serving girl, and a princess named Pea come together in Kate DiCamillo's Newbery Medal-winning tale.

Welcome to the story of Despereaux Tilling, a mouse who is in love with music, stories, and a princess named Pea. It is also the story of a rat called Roscuro, who lives in the darkness and covets a world filled with light. And it is the story of Miggery Sow, a slow-witted serving girl who harbors a simple, impossible wish. These three characters are about to embark on a journey that will lead them down into a horrible dungeon, up into a glittering castle, and, ultimately, into each other's lives. What happens then? As Kate DiCamillo would say: Reader, it is your destiny to find out. With black-and-white illustrations and a refreshed cover by Timothy Basil Ering.

The Forgetful Knight

Zulu Rising

From 'Goldilocks and the Three Bears' to 'Cinderella' and 'The Billy Goats Gruff' to 'Hansel and Gretel', Laurence Anholt's lively retellings are full of fun and silly humour and perfectly complemented by Arthur Robins' brilliantly funny illustrations. Storytime has never been such fun! Contents: Cinderella,

Goldilocks and the Three Bears, Jack and the Beanstalk, The Billy Goat's Gruff, the Sleeping Beauty and Hansel and Gretel. The battle of iSandlwana was the single most destructive incident in the 150-year history of the British colonisation of South Africa. In one bloody day over 800 British troops, 500 of their allies and at least 2000 Zulus were killed in a staggering defeat for the British empire. The consequences of the battle echoed brutally across the following decades as Britain took ruthless revenge on the Zulu people. In *Zulu Rising* Ian Knight shows that the brutality of the battle was the result of an inevitable clash between two aggressive warrior traditions. For the first time he gives full weight to the Zulu experience and explores the reality of the fighting through the eyes of men who took part on both sides, looking into the human heart of this savage conflict. Based on new research, including previously unpublished material, Zulu oral history, and new archaeological evidence from the battlefield, this is the definitive account of a battle that has shaped the political fortunes of the Zulu people to this day.

Little Knight and Little Dragon can't wait to start school. But Little Knight goes to school in the day time and Little Dragon goes to school at night... An adorably sweet story in which these very different friends with very different experiences make sure they have time for each other. With an adventure, a feisty princess and a glorious sparkly night scene, this is a wonderful follow up to the hugely successful *Knight Time*. When Monkey finds a strange creature in the jungle he's very puzzled, and he calls the other animals to help. It doesn't have a tail for swinging, a trunk for washing, a long neck for reaching the high trees or even webbed feet for swimming. Whatever could it be? Toddlers and parents alike will love this refreshing take on the classic 'new-baby' theme. With wonderfully warm, humorous text from Ronda Armitage, author of family favourite *The Lighthouse Keeper's Lunch*. 'Perfect reading for toddlers with a new baby in the house' - Junior

Muffin and the Birthday Surprise

Thrown into the alternate universe of 14th century England, 20th century mathematician Jim Eckert and his wife Angie have become Sir James, Baron de Bois de Malencontri, and Lady Angela. A bit of a shock, but they'd coped with it. In fact they were dealing with their new life's hazards and magical manifestations just fine. Until Jim is suddenly

transformed into a dragon. None too pleased about this latest turn of events, Jim turns for help to his neighbour, the magician S. Carolinus, who takes him on as an apprentice. When Prince Edward is captured by the French at the Battle of Poitiers, Jim sets out with some companions, including Aaargh the wolf, to join the English forces. He ends up as chief pawn in a battle against the Dark Powers - with extraordinary consequences.

Polly the parrot is fed up of her tree. It's a life on the ocean she needs! For this she'll need a pet pirate, but finding the perfect one isn't easy. This picky parrot might just end up with more than she expected...

A century before A GAME OF THRONES, two unlikely heroes wandered Westeros... A KNIGHT OF THE SEVEN KINGDOMS compiles the first three official prequel novellas to George R.R. Martin's ongoing masterwork, A SONG OF ICE AND FIRE.
