Se ti serve l'inglese per mandare e-mail o fare telefonate. Se sei un manager e devi fare presentations, conference calls, meetings ecc. Se vuoi cercare lavoro all'estero (e devi scrivere un cv e prepararti a un colloquio). Se vuoi fare business con tutto il mondo (e condurre trattative, partecipare alle fiere...). Se vuoi andare a lavorare in un hotel o un ristorante in Inghilterra per studiare la lingua (suggerisco fortemente Liverpool, costa molto meno di Londra e non ci sono tanti italiani). Insomma se vuoi (o devi...) lavorare in inglese, questo è il libro che fa per te. Tutto quello che considero indispensabile è qui dentro. Come sempre, ho aggiunto anche una storia. Perché? Perché così diventa più divertente, più leggero e ti rimane in testa, my friend.

Cambridge Advanced Learner's Dictionary KLETT VERSION

Compact Advanced Student's Book without Answers with CD-ROM

Highly focused preparation for the revised 2015 Cambridge English: First (FCE) course in 50–60 core hours. This Student's Book with answers provides B2-level students with thorough preparation and practice needed for exam success. Ten units cover all four exam papers in a step-by-step approach.

'Quick steps' and Writing, Speaking and Listening guides explain what to expect in the exam, and provide strategies on approaching each paper, model answers, useful expressions and further practice. The CD-ROM provides interactive grammar, vocabulary and writing practice. Two complete practice tests are available online for teachers to access. Recordings for the Listening exercises are found on the Class Audio CDs or in the Student's Book Pack, available separately.

Offers clear, practical support for students for the CIE syllabus The teachers workbook goes alongside the pupil book. Written by an experienced IGCSE teacher and CIE teacher trainer, English as a Second

Language offers clear, practical support for students. Endorsed by the University of Cambridge International Examinations for use with the syllabus, It is divided into succinct units based on the skill areas of the IGCSE examination. The units adopt a lively approach to the subject, utilising a diverse range of stimulus material. They also include imaginative and stimulating exercises designed to build confidence and develop the skills needed to succeed in the examination. A students workbook is also available.

From 1942 until 1944, Anne Frank and her family lived secretly in a few small rooms at the back of her father's office in Amsterdam, never leaving the building. Like many other Jewish families at that time, they were hiding from Hitler's Nazis. While she was in hiding, Anne wrote diaries which described her secret life, and the loves, hopes, fears and dreams of a teenage girl in extraordinary times. After the war, the diaries became famous around the world. This is the story of the diaries, of Anne Frank's early years, and of her life during and after the time in hiding.

English is one of the most widely spoken languages in the world. Have you ever wondered why? Here we go on a journey over five continents to look at countries where English is used in daily life: from the top of Mount Everest in the Himalayan Mountains to the beaches of the Caribbean, from the plains of Kenya to the streets of New York, the shores of Australia, and beyond. Dossiers: Aboriginal Australians Real Pirates of the Caribbean

Informed by the Cambridge Learner Corpus, and providing an official PET past exam paper from Cambridge ESOL, Complete PET is the most authentic exam preparation course available. Each unit of the Student's Book covers one part of each PET paper and provides thorough exam practice. Grammar and vocabulary exercises target areas that cause most problems for PET candidates, based on data from the Cambridge Learner Corpus, taken from real candidate scripts. The CD-ROM provides additional exam-style practice. A Student's Book without answers with CD-ROM, a Teacher's Book, Workbooks (with and without answers) and Class Audio CDs are also available.

To assist in mastering Italian grammar, this text explains a concept as it applies to English and presents the same concept as it applies to Italian. It illustrates the differences between the two languages and guides the selection of the correct form.

English Grammar for Students of Italian

B1.1-niveau ERK

Italy to go è un corso (livelli A1-A2) per anglofoni che utilizza le nuove tecnologie per insegnare in modo innovativo a parlare l'italiano e continuare a usarlo in modo efficace. Video, audio, spiegazioni, attività di revisione, esercizi di pronuncia e grammatica sono tutti fruibili direttamente all'interno dell'ebook come in un vero e proprio laboratorio linguistico. Il corso è suddiviso in sette ebook. Italy to go 2, composto da tre percorsi, amplia il lessico presentato con Italy to go 1 e insegna ad usare le 360 parole più frequenti nella lingua italiana, il verbo essere e avere, gli articoli e la fraseologia più comune, come pure illustra alcuni tratti socioculturali tipicamente italiani che, se ignorati, possono rendere difficile la comunicazione. Per aiutare la memorizzazione, ogni percorso presenta molte attività di revisione a livello comunicativo e grammaticale partendo dalla situazione presentata nel video, oltre a molte annotazioni in lingua inglese, la traduzione dei dialoghi e le soluzioni di tutti gli esercizi. L'ebook è in formato leggibile da tutti i tablet, i computer e gli smartphone dotati di un'applicazione specifica. Gli utenti Apple possono utilizzare iBooks (gratuito), gli utenti Windows hanno a disposizione Adobe Digital Edition (gratis sul sito Adobe) e gli utenti Android possono scaricare l'app gratuita Gitden Reader da Google Play che supporta audio e video. Gli utenti Kindle necessitano di un collegamento a Internet. Italy to go is a course (A1-A2) that, through the application of new technologies, offers to English speakers an innovative method to learn to speak Italian and to keep on doing so in an effective way. In this ebook, you will find videos, audios, explanations, review activities, grammar and pronunciation exercises, just like in an actual language lab. The course is divided into seven ebooks. Italy to go 2, consists of three sections and aims to gradually enrich the vocabulary presented in Italy to go 1. It teaches how to use in context the 360 most frequently used words of the Italian language; the verbs essere (to be) and avere (to have); the most common articles and phrases. It also helps to understand some typical Italian social and cultural features that, if speakers are not aware of, may hinder communication. To facilitate memorization of the lessons, each section offers many review activities at communication and grammar level, starting from the situation shown on video, together with many notes in English, the translation of the dialogues and the solutions to all exercises. The ebook is in a format compatible with all tablets, computers and smartphones with a specific application installed. Apple users can use iBooks (free); Windows users can use Adobe Digital Editions (free on the Adobe site); while Android users can download the free app Gitden Reader from Google Play, which supports audios and videos; finally, Kindle users need an Internet connection.

English for Management Studies in Higher Education Studies The Garnet Education English for Specific

Academic Purposes series won the Duke of Edinburgh English Speaking Union English Language Book Award in 2009. English for Management Studies is a skills-based course designed specifically for students of management studies who are about to enter English-medium tertiary level studies. It provides carefully graded practice and progressions in the key academic skills that all students need, such as listening to lectures and speaking in seminars. It also equips students with the specialist management language they need to participate successfully within a management faculty. Extensive listening exercises come from management lectures, and all reading texts are taken from the same field of study. There is also a focus throughout on the key management vocabulary that students will need. Listening: how to understand and take effective notes on extended lectures, including how to follow the argument and identify the speaker's point of view. Speaking: how to participate effectively in a variety of realistic situations, from seminars to presentations, including how to develop an argument and use stance markers. Reading: how to understand a wide range of texts, from academic textbooks to Internet articles, including how to analyze complex sentences and identify such things as the writer's stance. Writing: how to produce coherent and well-structured assignments, including such skills as paraphrasing and the use of the appropriate academic phrases. Vocabulary: a wide range of activities to develop students' knowledge and use of key vocabulary, both in the field of management and of academic study in general. Vocabulary and Skills banks: a reference source to provide students with revision of the key words and phrases and skills presented in each unit. Full transcripts of all listening exercises. The Garnet English for Specific Academic Purposes series covers a range of academic subjects. All titles present the same skills and vocabulary points. Teachers can therefore deal with a range of ESAP courses at the same time, knowing that each subject title will focus on the same key skills and follow the same structure. Key Features Systematic approach to developing academic skills through relevant content. Focus on receptive skills (reading and listening) to activate productive skills (writing and speaking) in subject area. Eight-page units combine language and academic skills teaching. Vocabulary and academic skills bank in each unit for reference and revision. Audio CDs for further self-study or homework. Ideal coursework for EAP teachers. Extra resources at www.garnetesap.com

The Architecture of Happiness is Alain de Botton's exploration of the hidden links between buildings and our well being Bestselling author Alain de Botton has written about love, travel, status and how philosophy can console us. Now he turns his attention to one of our most intense

but often hidden love affairs: with our houses and their furnishings. He asks: What makes a house truly beautiful? Why are many new houses so ugly? Why do we argue so bitterly about sofas and pictures - and can differences of taste ever be satisfactorily resolved? Will minimalism make us happier than ornaments? To answer these questions and many more, de Botton looks at buildings across the world, from medieval wooden huts to modern skyscrapers; he examines sofas and cathedrals, tea sets and office complexes, and teases out a host of often surprising philosophical insights. The Architecture of Happiness will take you on a beguiling tour through the history and psychology of architecture and interior design, and will forever alter your relationship with buildings. It will change the way you look at your current home - and help you make the right decisions about your next one. 'Engaging and intelligent . . . full of splendid ideas, happily and beautifully expressed'

Independent
Alain de Botton was born in 1969 and is the author of non-fiction essays on themes ranging from love and travel to architecture and philosophy. His bestselling books include Essays in Love; The Romantic Movement; Kiss and Tell; Status Anxiety; How Proust Can Change Your Life; The Pleasures and Sorrows of Work; The Art of Travel; The Architecture of Happiness and Religion for Atheists. "Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire,

American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: *The Phonology of English as an International Language*). American English File integrates pronunciation into every lesson – the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.
