This epic exploration of thirteen countries takes Gandolfi across desert and over mountains, through the Amazon forest and the length of the Appalachians. Guide books may warn of thieves, bandits, corrupt police and border officials; Gandolfi writes of the remarkable kindness and generosity he encounters. Courtesy, patience and good humour are his passports while hurry is his anathema. Whether in village or city, his joy is in leisurely conversation. Gauchos, oil workers, peasant farmers, officials, owners of vast haciendas, Venezuelan revolutionaries, students at Texas A&M - all excite his curiosity and he faithfully records their opinions while submitting his own thoughts, beliefs and fears to an often merciless inspection. Above all this is a jubilant chronicle of hope and understanding, of new friendships, glorious country, sublime architecture, good food, and ultimately, an old man's determination to surmount his years. Outrageously irresponsible and undeniably liberating, Gandolfi's travels will fire the imaginations of every traveller, young or old.

A young man escapes 1970s Belfast on his Moto Guzzi Le Mans, and tries to find himself... and the road to Australia... what could possibly go wrong

A big trail da Casa de Hincley finalmente chegou ao mercado brasileiro e n ã o s testamos a best-seller inglesa. J á à a naked japonesa foi melhorada e renovada, para encarar em alto n í vel as armas da concorr ê ncia.

*From the bestselling author of Jupiter's Travels and Dreaming of Jupiter comes an entertaining and inspiring new journey round Britain. Having crisscrossed the globe twice, Ted returns to the British Isles to rediscover the country of his youth. The result is a revealing portrait of modern Britain and a witty and affectionate journey back to the past, when Ted would hitchhike across the country visiting friends (and girlfriends). He returns to the site of his old school with its astonishing war time history and visits familiar haunts where he did his National Service and got his first job in newspapers. He also visits less-familiar places. Some inspire him (Winchester Cathedral). Others defeat him (a tax office in Nottingham). As he rolls through the Isles, he discovers that a great deal has changed: busier roads, bureaucracy and, worst of all, the dreaded 'Sat Nav'. But there is also much to celebrate and enjoy along the way. Packed with fascinating stories, extraordinary encounters and glorious depictions of the British countryside, Rolling through the Isles takes the reader on an unforgettable trip with a celebrated adventurer and writer.*

*'Warm, funny ... . It's had my whole family howling with laughter and shedding a few tears' - Shappi Khorandi, Guardian 'A proper travelogue - a joyful, moving and stereotype-busting tale' - National Geographic Traveller, Books of the Year In 2011, at the height of tension between the British and Iranian governments, travel writer Lois Pryce found a note left on her motorcycle outside the Iranian Embassy in London: ... I wish that you will visit Iran so you will see for yourself about my country. WE ARE NOT TERRORISTS!!! Please come to my city, Shiraz. It is very famous as the friendliest city in Iran, it is the city of poetry and gardens and wine!!! Your Persian friend, Habib Intrigued. Lois decides to ignore the official warnings against travel (and the warnings of her friends and family) and sets off alone on a 3,000 mile ride from Tabriz to Shiraz, to try to uncover the heart of this most complex and incongruous country. Along the way, she meets carpet sellers and drug addicts, war veterans and housewives, doctors and teachers - people living ordinary lives under the rule of an extraordinarily strict Islamic government.*
