Take Me There Carolee Dean
Take Me There had everything in this book. I cried, scream, laughed and was touched by Dylan and his father's story. I don't want to give anything away. I just want to say that Carolee Dean didn't just create a beautiful, heart- warming story, she made it realitic and showed how powerful LOVE really is.

Carolee Dean Quotes (Author of Take Me There)

What got me through middle school was my desire to capture stories, create books. I knew I needed typing skills to become an author. I had to take the same typing class four times just to be able to pass it with a D. Through this experience. I'm sure the teacher winced every time she saw my name. But I learned to type the patterns of the word ...
