Brian's Winter by Gary Paulsen Chapters 1-3The Car Gary Paulsen
The Car by Gary Paulsen was a very interesting book because this boy named Terry had a sad life until he got his dad's abandoned car in the garage. Terry is a 14-year old that was abandoned from his own mom and dad so basically, he was raising himself. His dad's car that was in the garage was not in a good shape.

Gary Paulsen has been one of my favorite authors since I first read Hatchet. His descriptive style of writing takes you away with the characters and sits you right next to them. The Island surprised me and it's become one of my favorite books. It's the story of a young man who's life gets uprooted when his family moves because of his dad's new job.~~
