Collected Works of C.G. Jung, Volume 7. Book Description: This volume has become known as perhaps the best introduction to Jung's work. In these famous essays. "The Relations between the Ego and the Unconscious" and "On the Psychology of the Unconscious," he presented the essential core of his system. Historically, they mark the end of Jung's intimate association with Freud and sum up his attempt to integrate the psychological schools of Freud and Adler into a comprehensive framework.
