So The Couple's Guide to Thriving with ADHD lays out the most important strategies couples can use - right now - to rebuild trust, fight less, disagree more productively, get the attention they deserve, and rebuild intimacy in their relationship. These are strategies honed over years of working specifically with couples impacted by ADHD ...

The Couple's Guide to Thriving with ADHD eBook: Orlov ...

The Couple's Guide to Thriving with ADHD gives concrete answers and strategies to those suffering from adult ADHD that couples can immediately use to improve their relationships. This book addresses questions from both ADHD and non-ADHD partners and provides straightforward advice arranged in a way that makes it easy to find the specific answers couples seek.

The Couple's Guide to Thriving with ADHD - Melissa Orlov ...

More and more often, adults are realising that the reason they are struggling so much in their relationship is that they are impacted by previously undiagnosed adult ADHD. Learning how to interact around ADHD symptoms is often the difference between joy together and chronic anger and frustration. So this book lays out the most important strategies couples can use -- right now -- to rebuild ...

Amazon.co.uk:Customer reviews: COUPLES GUIDE TO THRIVING ...

"In The Couple's Guide to Thriving with ADHD, Orlov and Kohlenberger not only tackle the obvious challenges that ADHD-impacted couples face, like communication and control issues, but they also delve into difficulties that are just as common but often unaddressed, such as the chronic anger that either partner may feel, as well as the parent/child dynamic that many couples find themselves trapped in.

The Couple's Guide to Thriving with ADHD | ADHD and Marriage

To work through a couple's guide to thriving with ADHD, requires both partners to be willing to give it a shot (and this is the easy part), the ADHD partner to make great effort to monitor him or herself and to undertake often difficult personal change, and the partner without ADHD to be both patient and empathetic, to not pathologize all of the ADHD partner's behaviors and to refrain from ...
