The Fox is a novella by D. H. Lawrence which first appeared in The Dial in 1922. Set in Berkshire, England, during World War I, The Fox, like many of D. H. Lawrence's other major works, deals with the psychological relationships of three protagonists in a triangle of love and hatred. Without the help of any male laborers, Nellie March and Jill Banford struggle to maintain a marginal livelihood at the Bailey Farm.

The Fox (1967) - Plot Summary - IMDb

The story The Fox is quintessential Lawrence, on the cusp, as it were, of the light and the dark. Its atmosphere is so strong one may easily forget how firmly it is set in its time and place. The...

Rereadings: The Fox by DH Lawrence

The Fox is a 1967 Canadian drama film directed by Mark Rydell. The screenplay by Lewis John Carlino and Howard Koch is loosely based on the 1923 novella of the same title by D. H. Lawrence. The film marked Rydell's feature film directorial debut.

The Fox (1967 film) - Wikipedia

Assertive, magnetic, and uncomplicated like Lawrence's virile heterosexual males, he is also—unlike the finer types— insensitive, manipulative, cunning. His sexuality has turned predatory, like the...

The Fox Characters - eNotes.com

Sharply observed and expertly constructed, D.H. Lawrence's The Fox is a captivating work exploring the dual themes of power and supremacy in the aftermath of the First World War. Banford and March live and work together on their meagre farm, surviving hardship only by sheer determination and dedicated labour. The farm is their world and a place of safety - that is, until a young soldier walks in and upsets the women's delicate status quo.

The Fox by D H Lawrence - Fantastic Fiction

The fox depicts a male-related sexual relationship. This gradually becomes apparent as Lawrence describes the appearance of Henry, and shows how March sees, even smells him as the fox – “She became almost peaceful at last. He was identified with the fox-and he was here in full presence. ... She could at last lapse into the odour of the fox.”

Among its other distinguishing qualities, D. H. Lawrence's The Fox is remarkable for the range and intensity of the critical conflicts it has generated over the three generations since its publication (1922), and for the sheer contradictoriness of the literary, psychological and ethical claims made by critics on its behalf.
