Hacking Of The American

"Dr. Robert Lustig examines our culture of illness, an industry-created fog that, despite our best efforts to cope, has left us stressed, isolated, addicted, and depressed. With *The Hacking of the American Mind*, he empowers us with the science of mind, brain, and love in a delightful, insightful, and humorous way. You can live by pursuing pleasure, sugar-coated as 'happiness,' or you can read this book."

~~The Hacking of the American Mind
Quotes by Robert H. Lustig~~

In the last 40 years, government legislation and subsidies have promoted ever-available temptation (sugar, drugs, social media, porn) combined with constant stress (work, home, money, Internet), with the end result of an unprecedented epidemic of addiction, anxiety, depression, and chronic disease.

Nothing is more singularly significant in American government than the ritual of voting; if the electorate were to lose confidence in the integrity of our elections, it would be a tragedy. Yet, since allegations of hacking and manipulation surfaced during the 2016 election, just how much value a vote has in our system has been in doubt.
