In the past I have enjoyed a few of Abby Clements books and so I was looking forward to the story about the heavenly ice cream shop. I enjoyed that the story equally concentrated on the two sisters, Imogen and Anna, and we saw both perspectives. I also enjoyed the scenery and the ice cream business.

What a lovely read. Light
romantic, refreshing, just
how imagine the ice creams
of Vivien' s Heavenly Ice

reading this book on cold
grey miserable winter days
bringing a smile to my face.
I could imagine exactly how

unexpectedly inherit their grandmother Vivien's ice cream parlour, it turns both their lives upside down. The Brighton shop is a seafront institution, but though it's big on retro charm it's critically low on customers. If the sisters don't turn things around quickly, their grandmother's legacy will disappear forever.
