International Handbook on Social Work Theory and Practice ...

The Handbook defines social innovation as innovation in social relations within both micro and macro spheres, with the purpose of satisfying unmet or new human needs across different layers of society. It connects social innovation to empowerment dynamics, thus giving a political character to social movements and bottom-up governance initiatives.

The International Handbook on Social Innovation

The International Handbook on Social Policy and the Environment reviews debates concerning poverty, inequalities, social distribution, social rights, taxation, healthcare, education, water and energy policies to examine the relevance and importance of climate change to social policies and welfare reform. Environmental change is central to the global social policy challenges of the twenty-first century.

International Handbook on Social Policy and the Environment

This Handbook will inspire readers as it highlights the creativity and commitment of diverse enterprises and movements working for social innovation. ð Anna Kajumulo Tibaijuka, Minister for Lands, Housing and Human Settlements, United Republic of Tanzania, and retired UN Under Secretary General, immediate former Executive Director of UN-HABITAT ðSocial innovation may not be a new idea but it is clearly an idea whose time has come, not least because the traditional models of innovation ð ...
