The thrilling sequel to the runaway bestseller *The Last Girl*, Zoey is not the woman she once was. She's watched her friends die at the hands of their captors, been hunted, and returned from the brink of death. Now she must find the truth about who she is.

The Final Trade (The Dominion Trilogy, #2) by Joe Hart

The Last Girl is a very good book, but it's no 'Hunger Games'. 'Last Girl' depicts a world where only boys are born. The main characters are the six remaining girls, kept in captivity before fulfilling their procreating purpose. The girls are convincing characters, some with major emotional problems as a result of their callous treatment.
