Used to be my greatest achievement was holding a job more than three days. Now suddenly I can shoot fireballs, chill your drink or blow-dry your hair at fifty paces with a blink of my eye! It all started when this crazy scientist dropped something in my Grande Mocha Latte. Of course I got wicked sick. Next morning I'm waking up with this total hottie bending over me. He tells me 1) his name's Rome Masters, 2) he's a government agent and 3) I can control the four elements with a thought. He seems even less pleased by my (apparently irreversible) transformation than I am.... Because now he'll have to kill me.

Small Town Firefighter Romance

How to get sparks back in your life and keep them burning. The blaze of a log fire on a cold night speaks to the heart in a way no other flame can. It has character and ever-changing form; it has vibrant colour and a balletic movement. Indeed, it was the flame that transformed the way life was lived on earth, but now that primary driver of evolution finds itself being extinguished in a modern world of microwaves, induction hobs and central heating. Gradually the flames are going out, as houses are now built without fireplaces, bonfires are banned, and schoolchildren are forbidden to use the Bunsen burner. But the sight of a flame remains as evocative as ever. *Playing with Fire* wants to inspire, and teach, looking at the history of fire and showing the wonders that the burning flame can conjure.

Memoir from a much-loved film and TV star that really is the new The Moon's a Balloon.

*"When the defiantly northern Wyverdale District Council fails to satisfy a government audit, a New Labour fixer is despatched from the capital to formulate a robust recovery plan. But resources spent on websites, 'faith festivals' and council leaflets in Bengali seem beside the point to the Labour old guard, struggling as they are to provide basic services to an alienated and divided electorate." "What looks at first like a topical satire of contrasting attitudes between north and south, old and new Labour, mushy peas and guacamole, quickly becomes a chilling drama about multicultural Britain, in which racial tensions can soar and good intentions have fatal consequences." "Premiered in the National's Olivier Theatre, *Playing with Fire* marks a return to the subject matter David Edgar first explored in his breakthrough play, *Destiny*."--BOOK JACKET. 'I defy you to read the first chapter and not singe your fingers reading all the rest. It's that compelling. It's that good.' David Baldacci *WHAT IF YOUR CHILD WANTED YOU DEAD?* Julia is terrified by her daughter's aggressive behaviour. Lily has changed from an angelic little girl into someone she is afraid to be alone with. What scares Julia most, though, is that she knows why Lily is acting this way, but no-one will believe her. It was just a one-night stand. The hot baseball star was supposed to be my last hurrah. A handsome stranger to get lost in before I started working for the man who'd always controlled my life. No feelings. No attachments. Nothing but a few drinks, a spin around the dance floor, and a couple hours of passion. But come Monday morning, any hopes of never seeing him again were dashed when I found out he played for the ball club I now worked for. I couldn't get rid of him, even if I wanted to, and that put his life on the line. She was a game changer. One night with her, and everything I thought I wanted was turned on its head. Convincing her to give me a chance was only the beginning. There were bigger things at play, some so dangerous it threatened our lives. But I was determined to make it work. To have her in my life. The only problem was, someone else was dead set on cutting our time together short.

Under his leadership, a side more famous for its batting collapses and ability to seize defeat from the jaws of victory discovered its backbone. 'A writer at the very height of his powers' - Ian Rankin *Playing With Fire* is the fourteenth novel in Peter Robinson's Inspector Banks series, following on from *The Summer That Never Was*. In the early hours of a cold January morning, two narrowboats catch fire on a dead-end stretch of the Eastvale canal. When signs of accelerant are found at the scene, DCI Banks and DI Annie Cabbot are summoned. But by the time they arrive, only the smouldering wreckage is left, and human remains have been found on both boats. The evidence points towards a deliberate attack. But who was the intended victim? Was it Tina, the sixteen-year-old who had been living a drug-fuelled existence with her boyfriend? Or was it Tom, the mysterious, lonely artist? As Banks makes his enquiries, it appears that a number of people are acting suspiciously: the interfering 'lock-keeper', Tina's cold-hearted stepfather, the wily local art dealer, even Tina's boyfriend . . . Then the arsonist strikes again, and Banks's powers of investigation are tested to the limit . . . The Inspector Banks books became the major British ITV drama DCI Banks. Continue the series with *Strange Affair*.

Offering a fresh approach to homiletics, David J. Schlafer provides an invitation to preaching by way of metaphor. Starting with the fire of Scripture, and engaging in the work of preaching as play, Schlafer offers new ways of approaching the preaching moment. Taking into account the preacher's call, the stages of preparation, the role of the congregation, and the presence of the Holy Spirit in the midst of it all, we discover that playing with fire is a sacred act indeed. Two metaphors dance together across the pages of this book: fire and play. Two metaphors, plus a hunch: that texts of the Scriptures, the grounding voices of inspiration for Christian preaching, offer more than just truths to be interpreted and transmitted. What we call the Scriptures are the work of a great company of preachers. The Bible is a treasure lode of imaginative insights regarding how the mystery of preaching might be entertained. from the Introduction"

"In the beginning there was nothing. Not a sausage - penniless, broke, fucking nothing - and although, at a

certain age, that didn't matter hugely, there came a time when hand-me-downs, cast-offs and football boots of odd sizes all pointed to a problem that seemed to have afflicted me, my mum, my sisters, Ronnie and the whole lot of us. It was as though we had been dealt the 'all-time dysfunctional' poker hand. I wish I could say that, from this point on, the penny dropped and I decided to do something about it, but it wasn't like that. It would take years before the lessons of life, business and money began to click into place - before, as they say, I had a pot to piss in. This is the story of how those lessons were learned. "This is Gordon Ramsay at his raw, rugged best. PLAYING WITH FIRE is the amazing story of Gordon's journey from sous-chef to superstar. In his no-holds-barred style, Gordon shares his passion for risk and adventure and his hard-won success secrets.

The first full biography of the fearless and brilliant Maria Yudina, a legendary pianist who was central to Russian intellectual life. Maria Yudina was no ordinary musician. An incredibly popular pianist, she lived on the fringes of Soviet society and had close friendships with such towering figures as Boris Pasternak, Pavel Florensky, and Mikhail Bakhtin. Legend has it that she was Stalin's favorite pianist. Yudina was at the height of her fame during WWII, broadcasting almost daily on the radio, playing concerts for the wounded and troops in hospitals and on submarines, and performing for the inhabitants of besieged Leningrad. By the last years of her life, she had been dismissed for ideological reasons from the three institutions where she taught. And yet according to Shostakovich, Yudina remained "a special case. . . . The ocean was only knee-deep for her." In this engaging biography, Elizabeth Wilson sets Yudina's extraordinary life within the context of her times, where her musical career is measured against the intense intellectual and religious ferment of the post-revolutionary period and the ensuing years of Soviet repression.
