The research act; a theoretical introduction to sociological methods. (reprint, 1970) Denzin, Norman K. AldineTransaction 2009 368 pages \$34.95 Paperback HM511

The research act: a theoretical introduction to ...
The Research Act covers all the content of conventional methods courses. The presentation is exciting and imaginative, and provides a thorough review of major sociological methods, a cogent statement about approaches to sociological inquiry, and a source from which a understanding of the problems of research can be derived.
