When first published in 1995, The Rotten Heart of Europe caused outrage and delight - here was a Brussels insider, a senior EU economist to talk openly about the likely pitfalls of European monetary union.

~~?The Rotten Heart of Europe on Apple Books~~

We now have a vivid inside account of these events in Bernard Connolly's book The Rotten Heart of Europe. The coarseness of its title and the misleading signs more of self-conscious encaissement on the part of smart publishing than of authorial quality. The book suffers from an occasional lapse of taste, and a liking for melodrama.
