I have seen miracles happen to men and women in all walks of life all over the world. Miracles will happen to you, too-when you begin using the magic power of your subconscious mind. This book is designed to teach you that your habitual thinking and imagery mold, fashion, and create your destiny; for as a man thinketh in his subconscious mind, so is he. Why is one man sad and another man happy? Why is one man joyous and prosperous and another man poor and miserable? Why is one man fearful and anxious and another full of faith and confidence? Why does one man have a beautiful, luxurious home

Why is one speaker outstanding and immensely popular and another mediocre and unpopular? Why is one man a genius in his work or profession while the other man toils and moils all his life without doing or accomplishing anything worthwhile? Why is one man healed of a so-called incurable disease and another isn't? Why is it so many good, kind religious people suffer the tortures of the damned in their mind and body? Why is it many immoral and irreligious people succeed and

prosper and enjoy radiant health? Why is one woman happily married and her sister very unhappy and frustrated? Is there an answer to these questions in the workings of your conscious and subconscious minds? There most certainly is. It is for the express purpose of answering and clarifying the above questions and many others of a similar nature that motivated me to write this book.

Spiritual scholar and popular New Thought voice Mitch Horowitz brings a new introduction, questions-and-answers, and new methods to Joseph Murphy's epic bestseller.

*power of our minds stretches far beyond our current comprehension. No matter how much science keeps progressing, they still find new wonders of the human brain. One of the reasons for this, is that the subconscious mind suppresses and exposes many impulses and neural pathways that we don't generally notice in our daily lives. Therefore, in this book, we focus on several things, which include: how to decrease fears, phobias, and anxiety through the subconscious mind; how to use curiosity, conscientiousness, and creativity to our advantage; the inner language and monologue in our brains; and the difference between subconscious and unconscious thoughts and ideas. Book 2: Do you know what the seven keys are to think better? And do you understand the advantages of creative visualization? Many people have no clue what's going on inside their minds. The power of our minds stretches far beyond our current comprehension. No matter how much science keeps progressing, they still find new wonders of the human brain. One of the reasons for this, is that the subconscious mind suppresses and exposes many impulses and neural pathways that we don't generally notice in our daily lives.

Therefore, in this book, we focus on several things, which include: how to decrease fears, phobias, and anxiety through the subconscious mind; how to use curiosity, conscientiousness, and creativity to our advantage; the inner language and monologue in our

*Subconscious and the Superconscious Planes of Mind*, written by W.W. Atkinson in 1909, is a somewhat supernatural text on the different levels at which the mind works and functions. There are the sub-conscious (below normal), conscious (normal), and super-conscious (above normal) levels, which Atkinson describes in detail. He also covers the elements of each level—for example, in the subconscious our memory works and resides. While based in hard facts, Atkinson uses the mind theories to justify instances such as telepathy and
