The Twilight of the Golds (1997) —Rotten Tomatoes

Twilight of the Golds is an unfortunate and sad artifact of the '90s and that it resembles a glossified Lifetime movie makes it even that more of an unnerving watch. Review by *theironcupcake* ?½ If you think there is value in the premise "Jewish-American expectant mother Jennifer Beals finds out her unborn baby might be gay; doesn't know whether to abort," then I guess this movie is for you.

That is the question posed in this entertaining drama. All is well when Suzanne Gold and her close New York family discover that she is pregnant, until a prenatal test reveals that the baby will most likely be homosexual. The news forces the entire Gold family to confront issues of bigotry, evolution and the limits of love.

The Twilight of the Golds by Jonathan Tolins

THE TWILIGHT OF THE GOLDS is a made-for-Showtime film, and not of theatrical quality. This is unfortunate, as it would have made an excellent theatrical release. The cast is good, but performances are a bit scattered. Somehow, Faye Dunaway doesn't hit me as the Jewish Mother type. But Brendan Fraser can do no wrong.
