Many of the chapters in this book are reflections on the role of the consultant in settings that are described, and, while they are interesting, many require a leap of faith about the role of the subconscious that I personally do not ...

## **The Unconscious at Work - really learning**

Unconscious Mind. Unconscious Mind. While we are fully aware of what is going on in the conscious mind, we have no idea of what information is stored in the unconscious mind. The unconscious contains all sorts of significant and disturbing material which we need to keep out of awareness because they are too threatening to acknowledge fully.

The Unconscious at Work: Individual and Organizational Stress in the Human Services: Editors: Anton Obholzer, Dr Vega Zagier Roberts, and Members of the Tavistock Clinic 'Consulting to Institutions' Workshop: Publisher: Routledge, 2003: ISBN: 1134852770, 9781134852772: Length: 248 pages: Subjects

### **The Unconscious at Work: Individual and Organizational ...**

The Unconscious at Work, Second Edition draws on a body of thinking and practice which has developed over the past 70 years, often referred to as 'the Tavistock approach' or 'systems-psychodynamics'. All the contributors are practising consultants who draw on this framework, bringing it alive and making it useful to any reader – manager, leader or consultant, regardless of whether they have any prior familiarity with the underlying concepts – who is curious about what might be driving ...
