What Barry Lopez did in expanding our vision of the frozen North in Arctic Dreams, William Fox has done in broadening our perceptions of the desert expanses of the West's Great Basin.Roughly a quarter of a million acres of land spanning much of Utah and most of Nevada, the Great Basin is the highest and driest of the American deserts, a vast empty tract on the ...

The Void, The Grid The Sign: Traversing The Great Basin by ...

This is a story that few know, but those who do are its disciples. The story, of the highest and driest of all American deserts, the Great Basin, has no finer voice than that of William Fox. Fox's book is divided into the three sections of the title. In "The Void," he leads us through the Great Basin landscape, investigating our visual response to it—a pattern of mountains and valleys on a scale of such magnitude and emptiness and undifferentiated by shape, form, and color that the ...

This universe's inability to create life or new suns and planets was explained in Issue 38, the Morphin Masters severed the universe's connection to the Morphin Grid to protect the Splintered Star, a planet that consists entirely of Zeo Crystals, from the forces of evil who sought to obtain it. This was a morally grey act, as a downside it condemned the inhabitants of this universe to die slowly, but it would save billions of other universes in the process from the threat of reality being ...
