Thirteen is the second companion novel by Shani Struthers in the popular Psychic Surveys Series. So, to my knowledge there are three companion novels and five core novels. Before I begin my review, I would like state that all reviews I post regarding books are unbiased.

~~Thirteen (Psychic Surveys
Companion Novels, #2)~~

This is a 'stand alone' story

telling of a case taken on by
Ness Patterson (of the Psychic
Surveys team) back in 1987,
then a young woman of 25. She
had been invited to the Isle of
Skye to try and help a
community in which some
youngster had played a game
called '13 Ghost Stories' and had
brought the wrath of an evil entity
down on their heads.
