: to present (someone) with a difficult and unexpected problem, situation, question, etc. The reporter threw the candidate a curve by asking about his past drug use. Recently, Mother Nature threw us a curveball in the form of a 50-degree day in the middle of January.

Throw (someone) A Curve/curveball | Definition of Throw ...

In baseball and softball, the curveball is a type of pitch thrown with a characteristic grip and hand movement that imparts forward spin to the ball, causing it to dive as it approaches the plate. Varieties of curveball include the 12-6 curveball and the knuckle curve. Its close relatives are the slider and the slurve. The "curve" of the ball varies from pitcher to pitcher. The expression "to throw a curveball" essentially translates to introducing a significant deviation to a preceding ...

Curveball - Wikipedia

Here are some of the most popular ones you might hear today: Deuce. The curveball is usually a pitcher's second pitch, after the fastball, so the catcher's signal for the curveball... Yellow Hammer. This nickname comes from the yellowhammer bird, which catches its prey by diving suddenly and ...

How to Throw a Curveball: Proper Grip, Form and Release ...

To throw a curveball, start by holding the ball between your thumb and middle finger. Then, as you wind up and throw the ball, snap it on the release by rotating your thumb and middle finger down, almost like you're trying to snap with them. Try to release the ball as close to your body as possible, which will make it spin and curve more.

3 Ways to Throw a Curveball - wikiHow

In addition to all the myths around a curveball, there's a TON of bad instruction around it. You've heard these, right? Snap the curveball... Don't snap the curveball. Throw a 12-6 curveball! (UGGGGHHH - That is the worst advice.) Get on top of it. Think 99% fastball and 1% curveball. Get your thumb over the top... Throw a spiked curveball.

Safe Curveballs! - Baseball Education Center

One of the reasons why being thrown a curveball is so incredibly painful is because it makes you feel like you have no control over what happens to you. After all, you did everything right. But the "right" results didn't materialize, in spite of your efforts. In addition, there's little that you can do about it.
