In Too much stuff, Yamamura upends conventional capitalist wisdom to provide a new approach. He suggests the only way for capitalism and democracy to thrive is to increase investment to meet societal needs such as improving social safety nets, infrastructure, and better education and health care for all, but this means raising taxes.

### Too much stuff: Capitalism in crisis by Kozo Yamamura

In *Too Much Stuff*, Yamamura upends conventional capitalist wisdom to provide a new approach. He suggests the only way for capitalism and democracy to thrive is to increase investment to meet societal needs such as improving social safety nets, infrastructure, and better education and health care for all, but this means raising taxes.

### Too Much Stuff; Capitalism in Crisis (2017) | Moral Markets?

In *Too much stuff*, Yamamura upends conventional capitalist wisdom to provide a new approach. He suggests the only way for capitalism and democracy to thrive is to increase investment to meet societal needs such as improving social safety nets, infrastructure, and better education and health care for all, but this means raising taxes.

### Policy Press | Too Much Stuff - Capitalism in Crisis, By ...

Kozo Yamamura finds the source of capitalism's malaise in the heart of developed world consumption patterns. In short, we consume 'too much stuff' at the higher end of the value chain. This 'stuff,' he argues, is a function of post-capitalism - it comprises goods and services that generations before now would have considered unnecessary but which we consider necessities.
