~~The TurboFire Nutrition Guide Turbo Fire predates the Ultimate Portion Fix and 2B Mindset, and we really prefer for those 2 plans over the nutrition guide provided with this program. Both programs, while different from each other, are more intensive and offer more structure and reasoning behind them versus just "eat this".~~

~~Turbo Fire Nutrition Guide - dev.destinystatus.com~~

~~The Turbo Fire nutrition plan is based on a simple concept: watching what you eat. First you figure out how many calories you should be eating in order to achieve your goals. You do this by figuring in your current weight, your exercise level, and how much weight you want to lose per month, and then use the Turbo Fire formula to calculate the result.~~
