Understanding Ethics And Ethical Decision

This book has been about ethics and ethical decision making. As ethical reflection permeates every decision made in practice, the book discussed the importance of developing moral reasoning ability, which is crucial for handling ethical dilemma and making ethical decisions in nursing and social work practice. The book encouraged the use of models as another form of ethical decision-making paradigms.

Virtue ethics require the decision-maker to understand what virtues are good for public relations and then decisions are made in light of those particular virtues. For example, the virtue of honesty is of utmost importance to a good public relations professional, so decisions should be made ethically to ensure honesty is preserved.

[Lesson 1: Understanding Ethics & The Profession](#)

Ethical decisions maximize the happiness or self-contentment of the greatest number of people. Immanuel Kant – Created one of the most famous ethical decision strategies of all time: the Categorical Imperative. If you can apply your decision universally without harmful consequences, your choice is ethical.

[Ethical Decision Making Model - SELFFA](#)

Ethics is two things. First, ethics refers to well-founded standards of right and wrong that prescribe what humans ought to do, usually in terms of rights, obligations, benefits to society, fairness, or specific virtues. Ethics, for example, refers to those standards that impose reasonable obligations to refrain from rape, stealing, murder, assault, slander, and fraud.

[What is Ethics? - Markkula Center for Applied Ethics](#)

Ethical decision-making refers to the process of evaluating and choosing among alternatives in a manner consistent with ethical principles. In making ethical decisions, it is necessary to perceive and eliminate unethical options and select the best ethical alternative. The process of making ethical decisions requires:

Making Ethical Decisions: Process

Ethical leadership is the art of leading people and making good decisions based on a set of values, such as fairness, accountability, trust, honesty, equality, and respect. In fact, values form the core foundation of ethical leadership. Ethics is a way of understanding right from wrong by using a set of values or moral principles.

What is Ethical Leadership? Principles & Framework For Leaders

Likewise, certain types of ethical theories, especially deontological ethics, sometimes differ between ethics and morals: "Although the morality of people and their ethics amounts to the same thing, there is a usage that restricts morality to systems such as that of Immanuel Kant based on notions such as duty, obligation, and principles of conduct, reserving ethics for a more ...

Morality - Wikipedia

The system of moral and ethical beliefs that guides the values, behaviors, and decision making in a business organization and the individuals within that organization is known as business ethics.

Why Are Business Ethics Important?

Consequentialism focuses decision making upon the potential outcomes of an action; the best outcome, coupled to some extent with intent, becomes the standard for morality. Situation ethics, utilitarianism, and pragmatism are examples of the larger school of ethical thought known as consequentialism.
