In a controversial examination of the conceptual bases of Blake's myth, Leopold Damrosch argues that his poems contain fundamental contradictions, but that this fact does not imply philosophical or artistic failure. Originally published in 1981. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

This guide offers an introduction to reading Blake's poetry and includes sections on its contexts, language and style, critical reception and adaptation and influence.

The Films of Johnny Depp

Blake's Illustrations to The Pilgrim's Progress

This book outlines Blake's interesting life. Some people thought him to be utterly mad; others considered him a genius. This biography certainly will not be boring to those with an interest in the bold adventures of a unique man who spent 116 watercolors illustrate 13 best-loved poems by Thomas Gray, including "Elegy Written in a Country Churchyard" and "Ode on the Death of a Favourite Cat." First inexpensive full-color reproduction, with complete text of poems.

This fresh look at the social and political themes of Blake's poetry shows that he was a phenomenologist of liberation," who contested the dominant ideology of his time and who still speaks passionately to our fears and hopes. Dark Figures in the Desired Country

William Blake, the Immortal Artist - Complete Drawings & Engravings in One Edition

Prophet of Universal Brotherhood

Blake's Water-Colours for the Poems of Thomas Gray

Seer, Poet, and Artist (Classic Reprint)

*The collection of essays presented in this volume represents some of the best recent critical work on William Blake as poet, prophet, visual artist, and social and political critic of his time. The critical range that is represented includes examples of Marxist, New Historicist, Feminist and Psychoanalytical approaches to Blake. Taken together, the essays consider all areas and moments of Blake's career as poet, from the early lyrics to his later epic poems, and they have been chosen to reveal not only the range of Blake's concerns but also to alert the reader to the rich variety of contemporary criticism that is devoted to him. Although the majority of essays are devoted to Blake as poet, others consider his work as printmaker, illustrator, and visionary artist. However severely individual essays choose to judge him, ultimately all the contributions to this book affirm Blake as one of the great geniuses of English art and letters. William Blake provides a valuable introduction by one of Britain's foremost critics and will be welcomed by students wanting to familiarise themselves with the work of Blake.*

*The Critical Heritage gathers together a large body of critical sources on major figures in literature. Each volume presents contemporary responses to a writer's work, enabling students and researchers to read for themselves, for example, comments on early performances of Shakespeare's plays, or reactions to the first publication of Jane Austen's novels. The carefully selected sources range from landmark essays in the history of criticism to journalism and contemporary opinion, and little published documentary material such as letters and diaries. Significant pieces of criticism from later periods are also included, in order to demonstrate the fluctuations in an author's reputation. Each volume contains an introduction to the writer's published works, a selected bibliography, and an index of works, authors and subjects. The Collected Critical Heritage set will be available as a set of 68 volumes and the series will also be available in mini sets selected by period (in slipcase boxes) and as individual volumes.*

*In Imagining Nature Kevin Hutchings combines insights garnered from literary history, poststructuralist theory, and the emerging field of ecological literary studies. He considers William Blake's illuminated poetry in the context of the eighteenth-century model of "nature's economy," a conceptual paradigm that prefigured modern-day ecological insights, describing all earthly entities as integrated parts of a dynamic, interactive system. Hutchings details Blake's sympathy for – and important suspicions concerning – the burgeoning contemporary fascination with such things as environmental ethics, animal rights, and the various fields of scientific naturalism. By focusing on Blake's concern for the relationship between nature and ideology (including the politics of class, gender, and religion) Hutchings avoids the sentimentalism and misanthropic pitfalls all too often associated with environmental commentary. He articulates a distinctively Blakean perspective on current debates in literary theory and eco-criticism and argues that while Blake's peculiar humanism and profound emphasis upon spiritual concerns have led the majority of his readers to regard his work as patently anti-natural, such a view distorts the central political and aesthetic concerns of Blake's corpus. By showing that Blake's apparent hostility toward the natural world is actually a key aspect of his famous critique of institutionalized authority, Hutchings presents Blake's work as an example of "green Romanticism" in its most sophisticated and socially responsive form.*

The Critical Heritage

*Excerpt from William Blake: Seer, Poet, and Artist On the death of his father, in 1784, Bl went into business with a former fell apprentice. But he was too much ofa drear to take kindly to it, and after a few years venture came to an end. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.*

*Since his rise to fame in the television series 21 Jump Street in 1987 and his subsequent transition to film acting, Johnny Depp has received constant criticism for his choice of roles--at least until his popular turn in the Pirates of the Caribbean series. This book aims to reveal the ways in which Depp's choices of film roles, though often considered eccentric, allowed him to develop into the representative film actor of his time. It organizes all of Depp's films chronologically, narrating in the process his transition from underestimated teenage pretty boy to bona fide Hollywood hotshot. Along the way, the book addresses Depp's relationship to earlier film actors, especially to Marlon Brando and the silent comics; the influence of Depp's androgynous sexuality on both his choice of roles and his acting; and his relationships with directors Terry Gilliam and Tim Burton.*

Collects essays, based on the works of William Blake, that reflect upon such recurrent themes as art, religion, and politics.

A Blake Bibliography

*This unique collection of "William Blake, the Immortal Artist - Complete Drawings & Engravings in One Edition" has been designed and formatted to the highest digital standards. William Blake (1757 - 1827) was an English poet, painter, engraver; one of the earliest and greatest figures of Romanticism. His work was filled with religious visions rather than with subjects from everyday life. Blake's fame as an artist and engraver rests largely on a set of 21 copperplate etchings to illustrate the Book of Job in the Old Testament. However, he did much work for which other artists and engravers got the credit. Blake was a poor businessman, and he preferred to work on subjects of his own choice rather than on those that publishers assigned him. Blake is acclaimed one of England's great figures of art and literature and one of the most inspired and original painters of his time.*

*The Delphi Poets Series offers readers the works of literature's finest poets, with superior formatting. This monumental volume presents for the first time ever the complete works of William Blake, featuring all of the poetry and the entire corpus of engravings and paintings, as well as the usual Delphi bonus material. (58MB Version 1) Please visit www.delphiclassics.com to browse through our range of exciting titles \* Beautifully illustrated with numerous images relating to Blake's life and works \* Concise introductions to the poetry and other works \* Images of how the poetry books were first printed, giving you eReader a taste of the original texts \* Excellent formatting of the poems \* Famous poetry collections like SONGS OF INNOCENCE are fully illustrated with the text \* Special chronological and alphabetical contents tables for the poetry \* Easily locate the poems you want to read \* Includes a special 'Plates' section with Blake's complete engravings, paintings and illustrations - spend hours exploring Blake's artistic genius in over 1,100 images! \* Features two biographies - discover Blake's literary life \* Scholarly ordering of texts into chronological order and literary genres CONTENTS: The Poetry and Prose POETICAL SKETCHES AN ISLAND IN THE MOON ALL RELIGIONS ARE ONE THERE IS NO NATURAL RELIGION TIRIEL SONGS OF INNOCENCE THE BOOK OF THEL THE MARRIAGE OF HEAVEN AND HELL THE FRENCH REVOLUTION VISIONS OF THE DAUGHTERS OF ALBION AMERICA A PROPHECY EUROPE A PROPHECY THE FIRST BOOK OF URIZEN SONGS OF EXPERIENCE THE BOOK OF LOS THE SONG OF LOS THE BOOK OF AHANIA THE FOUR ZOAS MILTON A POEM JERUSALEM: THE EMANATION OF THE GIANT ALBION SONGS AND BALLADS FROM BLAKE'S NOTEBOOK (1793) SATIRIC VERSES AND EPIGRAMS FROM BLAKE'S NOTEBOOK UNCOLLECTED WORKS The Poems LIST OF POEMS IN CHRONOLOGICAL ORDER LIST OF POEMS IN ALPHABETICAL ORDER The Plates CATALOGUE OF VISUAL WORKS The Biographies WILLIAM BLAKE by Irene Langridge WILLIAM BLAKE by Charles Gardner*

*Global Milton and Visual Art showcases the aesthetic appropriation and reinterpretation of Milton's works and legend in diverse eras, regions, and media. The purposefully-brief chapters, illustrations, and web-images demonstrate key instances of intermedial translation and adaptation, especially of Paradise Lost, in the context of globalization.*

*This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.*

*First published in 1982 this book provides a bibliography of commentary, criticism, and scholarship on the works of William Blake. It covers the period from Northrop Frye's Fearful Symmetry in 1947 to 1980. The criticism is organised according to eleven classifications in order to help direct the research of students and scholars and each chapter is preceded by an introductory essay in order to guide the reader.*

*This carefully crafted ebook: "The Drawings and Engravings of William Blake (Fully Illustrated)" collects the some of the best of William Blake's unique and evocative artwork. William Blake (1757 - 1827) was an English poet, painter, engraver; one of the earliest and greatest figures of Romanticism. His work was filled with religious visions rather than with subjects from everyday life. Blake's fame as an artist and engraver rests largely on a set of 21 copperplate etchings to illustrate the Book of Job in the Old Testament. *Blake was a poor businessman, and he preferred to work on subjects of his own choice rather than on those that publishers assigned him. Blake is acclaimed one of England's great figures of art and literature and one of the most inspired and original painters of his time.*

The Imaginative World of William Blake

Life of William Blake, "Pictor Ignotus"

Blake's Environmental Poetics

Global Milton and Visual Art

The Social Vision of William Blake

Hidden mutualities link the work of major postcolonial writers with Christopher Marlowe's drama of the Faustian pact – the manipulation of the material world in exchange for the soul – written as the 'scientific' world-view was emerging which accompanied the imperial expansion of Europe and has determined the economic and social structures of the colonial and postcolonial world. This fascinating study brings together researches in widely different fields to show how Doctor Faustus reflects a Gnostic / Hermetic tradition marginalized within the dominant European power structures. Rediscovered in the Renaissance, and combined with occult arts such as alchemy and magic, this living tradition informs the work of 'Magus' figures such as Pico della Mirandola, Marcilio Ficino, Trithemius, Johannes Reuchlin, Agrippa of Nettesheim, Paracelsus and John Dee, who are reflected in the Faust tradition and in Prospero in Shakespeare's The Tempest.The second part investigates the dual legacy of the Magus. A counterpoint between a law-governed objective material world and an occult visionary pursuit of the divine potential of the human imagination is traced through the examples of Johan Kepler, Robert Fludd, Isaac Newton, William Blake, Rudyard Kipling, Aleister Crowley, W.B. Yeats, Wolfgang Pauli and C.G. Jung.In the third part, textual analysis reveals how attention to these Faustian themes opens new and exciting critical perspectives in appreciating the works of postcolonial writers, in particularDimetos by Athol Fugard, Disappearance by David Dabydeen, Omeros by Derek Walcott, and the novels of Wilson Harris.

Poet, draughtsman, engraver and painter, William Blake's work is made up of several elements – Gothic art, Germanic reverie, the Bible, Milton and Shakespeare – to which were added Dante and a certain taste for linear designs, resembling geometric diagrams, and relates him to the great classical movement inspired by Winckelmann and propagated by David. This is the sole point of contact discernible between the classicism of David and English art, though furtive and indirect. Blake is the most mystic of the English painters, perhaps the only true mystic. He was ingenious in his inner imagination, and his interpretations of ancient and modern poets reveal as true and candid a spirit as the title of his first work – poems he composed, illustrated and set to music, Songs of Innocence and Songs of Experience. Later he achieved grandeur, power and profundity, especially in certain tempera paintings. Just like others, Blake was considered an eccentric by most of his contemporaries, until his genius was recognised in the second half of the nineteenth century.

"William Blake, Painter and Poet" by Richard Garnett. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The Seer's Progress

William Blake and the Moderns

"Gerda Norvig has written a book on Blake's Bunyan illustrations that is much more than that: it revises our sense of Blake, of the relationship of illustrator to illustrated text, and the assumptions of Romantic and Romanticist writing. Blake, certainly, will not be the same after Norvig's vigorous analysis, and it is arguable that the same may be true of Romanticism."--Ronald Paulson, author of "Figure and Abstraction in Contemporary Painting" "Specialists in both Blake studies and English Romanticism will find this book extremely interesting and useful. Norvig carefully analyzes for the first time a set of Blake's most accomplished illustrations, a set that (as she points out) has very rarely been reproduced or exhibited. These designs certainly deserve to be better known, and Norvig's insightful and stimulating interpretation of them makes their importance to Blake's thought and career amply clear. This is certainly a book that all Blake specialists will have to know."--Anne K. Mellor, author of "Mary Shelley: Her Life, Her Fiction, Her Monsters" This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

Mary Shelley's Frankenstein, a story she wrote at the age of 19, is still a popular tale to this day, remarkable not only for its striking plot but also its Romantic elements. Part of the Bloom's Classic Critical Views series, this book includes selections of some of the best historical criticism about Mary Shelley and her works.

Delphi Complete Works of William Blake (Illustrated)

Life of William Blake

The Works of William Blake : Poet, Artist, and Seer

William Blake, Seer, Poet, & Artist

William Blake's series of interpretive illustrations to six poems by John Milton represent Blake's rethinking of Milton's themes. The author insists upon the integrity of the separate series and investigates the distinctive properties of each. Illustrated.

Robert Bertholf and Annette Levitt have assembled thirteen essays that establish Blake as a [central voice molding modern literature and thought.] The essays in this volume examine Blake's influence on modern poetry, the modern novel, and modern thought from various critical approaches. This collection maps out the lines of direct literary influences and indirect intellectual affinities that make up the tradition of enacted form. Through the use of various aspects of Blake's form and ideas, this book reasserts the idea of continuity, the drive for wholeness, and the arrival of new poetic forms. Blake is considered one of the major and most modern of Romantics. This collection positions him as a precursor of the modern, using his vision and poetry as a base for discussing a central issue in literary theory today[influence and the literary tradition]just how is the legacy of a literary artist passed on, and how is it resurrected in the works of subsequent generations.

In this richly illustrated portrait, a prize-winning biographer surveys the entire sweep of William Blake's creative work while telling the story of his life. William Blake, overlooked in his time, remains an enigmatic figure to contemporary readers despite his near canonical status. Out of a wounding sense of alienation and dividedness he created a profoundly original symbolic language, in which words and images unite in a unique interpretation of self and society. He was a counterculture prophet whose art still challenges us to think afresh about almost every aspect of experience--social, political, philosophical, religious, erotic, and aesthetic. He believed that we live in the midst of Eternity here and now, and that if we could open our consciousness to the fullness of being, it would be like experiencing a sunrise that never ends. Following Blake's life from beginning to end, acclaimed biographer Leo Damrosch draws extensively on Blake's poems, his paintings, and his etchings and engravings to offer this generously illustrated account of Blake the man and his vision of our world. The author's goal is to inspire the reader with the passion he has for his subject, achieving the imaginative response that Blake himself sought to excite. The book is an invitation to understanding and enjoyment, an invitation to appreciate Blake's imaginative world and, in so doing, to open the doors of our perception.

William Blake, Seer, Poet, and Artist - Primary Source Edition

The Cambridge Companion to William Blake

William Blake's Poetry

William Blake, the Seer and His Visions

A Blake Bibliography was first published in 1964. Minnesota Archive Editions uses digital technology to make long-unavailable books once again accessible, and are published unaltered from the original University of Minnesota Press editions. The aim of this book is to list every reference to William Blake published between 1757 and 1863 and every criticism and edition of his works from the beginning to the present. Partly because of the deluge of scholarship in the last forty years, it includes perhaps twice as many titles as Sir Geoffrey Keynes's great bibliography of 1921. An introductory essay on the history of Blake scholarship puts the most significant works into perspective, indicates the best work that has been done, and points to some neglected areas. In addition, all the most important references and many of the less significant ones are briefly annotated as to subject and value. Because many of the works are difficult to locate, specimen copies of all works published before 1831 have been traced to specific libraries. Each of Blake's manuscripts is also traced to its present owner. Two areas which have received relatively novel attention are early references to Blake (before 1863) and important sale and exhibition catalogues of his works. In both areas there are significant number of important entries which have not been noticed before by Blake scholars. The section on Blake's engravings for commercial works receives especially detailed treatment. A few of the titles listed here have not been described previously in connection with Blake.

First published in 1953, this book examines Blake's vision and its impact on the work of Yeats who imitated Blake in the hope that he might find that same vision. Margaret Rudd's approach is literary as well as philosophical, and psychological and she discusses the work of both poets in this way.
