High extraversion: women who love psychopaths also chase fun, novelty and dislike boredom and “boring men”. They often talk about how their initial exchanges hooked them up, while other women would have felt like the psychopaths’ dominance dangerous or overpowering

~~Women Who Love Psychopaths: Summary & Review | The Power Moves~~

Women who love psychopaths show a clear sexual attraction towards men that society considers “dangerous”. They’re attracted to and aroused by risk and danger. Also, the emotional factor and the conviction that their love can redeem or transform the psychopath is at play.
